*Applicants who have difficulty completing the online application due to a disability or other reasons should contact the School of Applied Biological Science (see the last page) for consultation.

(Note)

1. Be sure to complete the application procedure within the period above. You cannot enter your information or pay the application fee after this period.
2. Incomplete or late applications will not be accepted. If you want to send your application documents before the application period to meet the deadline, please contact the School of Applied Biological Science.
3. Application documents must be received by 17:00 on the last day of the application period.
4. Inquiries by phone or other means about acknowledging the receipt of application documents will not be accepted. Please use the tracking service of the postal company.
5. No replies can be made to inquiries as to whether an application procedure has been completed.

(2) Application Method

- ① Register an account with UCARO
- ② Enter your application data online
- ③ Upload your photo
- ④ **Pay the application fee**

In addition to the JPY 17,000 application fee, the following fees are also required:

- JPY 990 as a processing fee for ALL applicants
- JPY 300 as a disclosure fee (ONLY for applicants who request disclosure of their entrance examination results*)

- ⑤ **Send the application documents listed in [(5) Application Documents] by post, using registered express mail if you reside in Japan, or fastest available international mail service such as EMS (Express Mail Service) if you reside outside Japan.**

*For details of disclosure of entrance examination results, please refer to the page 25.

Note: Entering application data online and paying the application fee do not constitute the completion of online application procedures. You must separately send your application documents, etc. that require mailing by post using the fastest international mail service such as EMS: Express Mail Service. You must also ensure that the documents reach the University no later than the prescribed deadline.

Please note that all times and dates indicated in this Guide are based on Japan Standard Time (JST).

(3) Data entry into the online application system

【1】 UCARO

Hiroshima University uses the UCARO system, where procedures from application to admission are consolidated.

Making an application requires account registration with UCARO (free of charge).

An UCARO account must be created for each user.

Please do not share one UCARO account among your siblings or others.

Please do not use the translation function on your device. It might cause errors on UCARO.

At Hiroshima University, tasks performed in the UCARO system include checking the examinee's number, printing the examination card, checking the Instructions to Examinees, processing part of the enrollment procedure, disclosing entrance examination results*, providing the results notification, etc.

*You will continue to use the email address you have registered for your UCARO account throughout the process from making an application to checking your examination results. Be sure to make a note of your ID (email address) and the password created at the time of your UCARO account registration.

Please note that you may register an account with UCARO prior to the application period.
If you already have UCARO account, you will not need to register an account again.

Please check the webpages below for more details regarding the UCARO system;
UCARO system website (Japanese only): <https://www.ucaro.net/>
UCARO FAQ (Japanese only): <https://user-support.ucaro.net/hc/ja>

[2] Online application

Step 1

Access the online application system from the Hiroshima University Admission Information website
<https://www.hiroshima-u.ac.jp/en/nyugaku>

Step 2

Register an account with UCARO

- ▶ Select [New member registration] in the Hiroshima University Online Application system. After completing the registration, proceed to the application procedure.
 - * For those who have already registered their UCARO accounts, select [Login] to continue the application procedure.
 - * **Since important information from the University will be sent via UCARO, please check the UCARO website so as not to miss any notices.**

Step 3

Enter application data (Select the examination category, etc. for which your application is being made.)

- ▶ For those requesting disclosure of their entrance examination results (see “Disclosure of Entrance Examination Results (Personal Information)), a disclosure fee of JPY 300 per application will be added to their application fees. **No changes will be accepted after you have paid the application fee.**

Step 4

Enter personal information

- ▶ Enter your personal information accurately according to the instructions on the screen.
- ▶ If the Kanji characters used in the name registered on the online application differ from the Kanji characters (e.g., old or variant characters) used in the name on the application document such as school record, the Kanji characters registered on the online application will be used. However, if there may be a mistake or obvious difference, we will contact you for confirmation. If the registered name includes the Kanji character that does not correspond to the JIS (Japanese Industrial Standards) level 1 and 2 kanji sets, it will be replaced with an appropriate alternative Kanji.
- ▶ Any errors in your contact information, including address and telephone number, may prevent us from sending important documents to you or calling you when necessary for your entrance examination. **Be sure to provide contact information (home, parent/guardian, etc.) for where you can be reached.**

Step 5

Confirm entries

- ▶ Confirm the data entered in Step 3 and Step 4. If an erroneous entry or entry requiring correction is noted, please be sure to make the necessary modification.
- ▶ Many errors have been made every year in items such as **address (house number), name, date of birth, email address, and phone number**. Please double check the data to be entered to ensure the accuracy of your entries.
- ▶ Any changes in items related to the examination category and the names of school, department, and examination subjects for which the application has been made will not be accepted after the application period has closed.

Step 6

Upload a photo and check required documents

- ▶ Submission of the photo by post will not be accepted. It must be uploaded to the online application system.
- ▶ See [(5) Application Documents] in this Guide and send the documents required for the application by post.

〈Photo instructions〉

- Must have been taken recently (within 3 months) prior to the application in color.
- Must be in JPEG file format, with 640 pixels high x 480 pixels wide as the preferred dimensions.
- **Photos that have been edited or processed using apps or other software are not acceptable.**
- **Deliberately uploading a photo of someone other than the applicant constitutes misconduct.**
- **On the day of the entrance examination, we will check the photo you have uploaded at the time of the application against your face.**
- **The uploaded photo, which will be used for your photo ID card for the examination, will also be used for your student ID card after enrollment and will be maintained in the University's educational affairs system for use until graduation.**
Therefore, please upload an appropriate photo for use after enrollment as well.
Once uploaded, your photo will not be allowed to be replaced.
A fee of JPY 1,000 will be charged for changing the content of your student ID card (photo and your name) after enrollment.
- **Using the Acceptable Photo Example for reference, upload a photo showing your upper body, facing forward (in focus) without wearing a hat or cap, and with nothing in the background.**
- * The size of your face photo data can be adjusted on the screen. Before registering, please adjust the size as needed to ensure that the photo shows your face clearly.
- * **In cases where your photo is deemed inappropriate as an application photo as shown by the Unacceptable Photo Examples, you may be required to submit a new photo.**

For submission of your photo, refer to the Acceptable Photo Example below.

• **Acceptable Photo Example**

- There is blank space in the upper part of the photo.
- Subject is facing horizontally and squarely to the front.
- The face is occupying at least one half of the overall image area.
- Both eyes are visible.
- The photo shows part of the shoulders.
- There is nothing in the background (plain).
- The photo must be clear.

• **Unacceptable Photo Examples**

Hair, smartphone or other object is creating a shadow on the face.

Hair is falling across eyes.

Frame of glasses overlaps eyes.

Wearing a scarf or sunglasses

Entire head or facial contours do not fit into the photo.

Head occupies an extremely large proportion of the entire space of the photo.

Head occupies an extremely small proportion of the entire space of the photo.

Not facing squarely to the front

Objects appear in the background (curtains, windows, shadows, etc.)

The photo size does not fit the frame.

Step 7

Complete initial application process

- When the application registration is completed, an application number will be issued and displayed on the screen. As an application completion notification email will be automatically sent to your registered email address, please make a note of the number or print out the screen or email and keep it.

Application number						
-----------------------	--	--	--	--	--	--

*** You will need the application number when checking or changing your registered application details.**

* To check or change your registered application details, you should log in to the online application website, select the relevant application data from the “List of Applications” on the top page. And then, click [Check] (in case of “Paid”) or [Check/Change/Payment] (in case of “Not yet paid”) to display the application registration completion screen again.

* The following items/tasks can be confirmed/performed on the Initial application process complete screen.

- Confirm the registered application details
- Check the number required for payment of the application fee (in case of “Not yet paid”)
- Check the payment status of the application fee
- Print a mailing label (Available only within Japan)

*** You may change your registered application details only before paying the application fee.**

Once the payment has been made, any changes in registered application details will not be allowed, except for those for personal information such as address.

* If you change your registered application details, the information required for payment will be canceled (the registered application details will not be canceled). In that case, please select a payment method again and re-obtain the information required for payment.

* You can print out a mailing label to be used when sending the application documents.

Click the [Print Mailing Label] button to print it out (In the case of using smartphone and tablet, the button may not be displayed, so you should use a PC).

* If you do not own a printer and cannot print the mailing label, please write the same information as the form on the envelope.

Step 8

Enter payment information

- Select the payment method for the application fee and the examination result disclosure fee (only for those requesting the disclosure) from among the following options.

For details, refer to (4) “Payment method for the application fee” in this Guide.

- ① Credit card (Available both within and outside Japan)
- ② Convenience store (NOT available from outside Japan)
- ③ Financial institution ATM [Pay-easy] (NOT available from outside Japan)
- ④ Internet banking (NOT available from outside Japan)

Please make sure to check a payment completion notification email that will be automatically sent to your registered email address after the payment. You can also check your payment status from the “List of Applications” on the top page by logging in to the online application website again.

Please note that your application will not be accepted in case that the application fee has not been paid even if your application documents arrive during the application period.

Document D: Document to Prove Your English Language Proficiency

Document E: Copy of the Passport *Required only for applicants residing outside Japan

Document F: Copy of the Residence Card or a copy of the Certificate of Residence

*Required only for applicants residing in Japan

(IMPORTANT)

1. Documents serving as certificates written in a language other than Japanese or English must be accompanied by a Japanese translation. The translation may be prepared by the applicant*.

*In such cases, submission in a sealed envelope is not required.

2. If the applicant's present name is different from that written on the application documents due to a name change or other reasons, please provide a copy of official documents, such as an official copy of the applicant's family register, issued by an official institution, to prove that the applicant is the same person as the person indicated on the documents submitted.

Document A: Personal Statement

Access the website of the School of Applied Biological Science (<https://www.hiroshima-u.ac.jp/en/seisei/admissions>), and download the Personal Statement forms from the page that provides information on the entrance examination. Complete the forms **by typing** in English, print them on A4 paper, and manually sign your name on the forms. Print each form on a single page, and submit all the "Personal Statement 1" and "Personal Statement 2 (Additional Information)" forms.

For the Personal Statement 1, please write essays on the following topic in around 400 words.

Personal Statement 1

Topic: Explain what you want to study at the School of Applied Biological Science at Hiroshima University, along with your reasons for applying. (around 400 words)

Personal Statement 2 (Additional Information) indicates whether or not you have documentation to prove your accomplishments and achievements. Even if you do not have such documentation, please submit Personal Statement 2 (Additional Information) with the "None in particular" box checked. On the other hand, if you have such a document or documents, type the title of the document(s) **in English or Japanese** and a brief explanation of the document(s) **in English** on this form. Then submit the form

with the relevant documents attached (photocopies are accepted). When making document copies, please use A4 paper or **paper of equivalent size (29.7cm × 21cm)**. If the documentation is in a language other than Japanese or English, then provide a translation in either Japanese or English. Please classify all the documents under a maximum of five categories (e.g. volunteer work, speech contests, and so on).

Examples of documentation include:

- Certificates for winning prizes in contests such as speech contests, debate competitions, etc.
- Results of foreign language proficiency tests
- Documents that prove participation in volunteer work, study abroad, Science Olympics, etc.

Please refer to the example below.

Document Number	Title	Brief Explanation
1	<i>Volunteer activity</i> (1) <i>A Volunteer Guide</i> (2) <i>River Cleanup</i>	(1) This activity consists in providing English language tour guide service for foreign visitors visiting the Peace Memorial Park. I participated in this activity for about a year when I was in eighth grade. (2) With colleagues, I picked up plastic garbage around the river. I also had a chance to research the biology of the river.
⋮	⋮	⋮
5	<i>Winning Speech Contest</i> <i>Certificate of Hirodai English Speech Contest 1st prize</i>	This speech contest is a national level contest. Some 200 students apply to take part in this contest and only 10 speakers can make speeches at the final tournament. I presented my thoughts regarding my experiences of learning Hiroshima history.

(7) Notes on Application

- Applications will not be accepted if there are any missing or incomplete documents in the application, or if the documents to be submitted by post do not arrive within the submission period.
- Changes to the submitted application documents will not be permitted after they have been accepted.
- Submitted application documents will not be returned under any circumstances.
- Changes to the selection category, faculty/department, or examination subjects after the deadline for online application entry and application fee payment will not be permitted.**
- If any false or fraudulent information is found in the application or submitted documents, and such act is recognized as misconduct, the admission decision or enrollment permission will be revoked.
- Personal information obtained at the time of application (such as name, date of birth, gender, and other personal information) will be used for entrance examinations, notification of results, and enrollment procedures.

In addition, such information may be used to send materials from Hiroshima University Athletic Association, the University Festival Executive Committee, and the Hiroshima University Co-op, as well as for the selection of residents for the Ikenoue Student Dormitory.

Furthermore, personal information of successful applicants may be used for student support services before and after enrollment (including academic advising, scholarship applications, applications for the higher education support system, tuition fee exemption applications, and student ID issuance), as well as for surveys and research (such as improving entrance examinations and analyzing applicant trends).

Please note that some operations involving personal information may be outsourced to external contractors designated by the University. In such cases, the University may provide part of the acquired personal information to such contractors to the extent necessary for the performance of the entrusted tasks.

6. Examinee's Number and printing the Examination Card

After Hiroshima University has confirmed the application documents and verified that the application eligibility requirements have been fulfilled, applicants will be able to check their examinee's number and print the Examination Card and Instructions to Examinees on the UCARO website after 12:00 on October 19, 2026 (scheduled).

Applicants must print out the Examination Card in advance and present it on the day of the examination.

If you are unable to print the Examination Card or Instructions to Examinees, please contact the School of Applied Biological Science (see the last page).

Please note that the University will not respond to inquiries regarding whether the application process has been completed.

In addition to the Examination Card issued by Hiroshima University, applicants are also required to present their EJU Examination Admission Voucher on the day of the examination, so be sure to bring it with you.

7. Pre-arrangements for special needs applicants

Those who require special consideration for taking examinations and/or pursuing an academic program due to a disability or other legitimate reason have to contact the School of Applied Biological Science (see the last page) in advance and then submit an application form (in free format) that describes the following matters for consultation.

a. Period of statement submission

Those who require specific arrangements, please contact the School of Applied Biological Science no later than one week before the date on which acceptance of applications begins. It is recommended to consult the School of Applied Biological Science as early as possible since certain arrangements will require sufficient time to prepare.

b. Information to include in the statement

- Applicant's name, address, and contact telephone number
- Name of the last school attended
- Entrance examination classification for which the application is being made
- Type and degree of disability (attach the medical certificate or copy of disability certificate)
- Requested consideration regarding examinations
- Requested consideration studying at the School of Applied Biological Science
- Arrangements made at school(s) previously attended
- Description of daily life

8. Applicant Selection Process

Selection

The screening is done based on application documents (Document C* and Document D) and the interview examination. Applicants will be interviewed in English via the Internet. The interview examination will be held on the **time and date specified by the School of Applied Biological Science between November 10, 2026 and November 12, 2026.**

Applicants will be comprehensively evaluated in the interview on their level of interest in and motivation for applied biological science, their ability to develop and analyze problems, their communication skills, and their attitude (all of which will be assessed on a point-based scale).

The Personal Statement (Document A) will be used as a reference material for the interview.

* The subjects and sections required for the Examination for Japanese University Admission for International Students (EJU) are as shown in the table below.

Subjects	Sections	Language
Mathematics	Course 2	English
Science	Two subjects selected from Physics, Chemistry, and Biology	

(IMPORTANT)

Applicants who have not taken the subjects and courses specified in the table above will not meet the application eligibility requirements and will not be allowed to apply.

In addition, for the entrance examination conducted by Hiroshima University in 2026, scores of EJU taken before 2025 cannot be used.

Pass/Fail decision

The decision will be made based on a comprehensive evaluation of the applicant's scores on the EJU*, the English Language proficiency test designated by the University, and the interview examination results (maximum of 300 points).

* As a guideline for ensuring smooth academic progress after enrollment, applicants are generally expected to have obtained a combined score of approximately 280 points or higher in Mathematics (Course 2) and Science in the EJU.

9. Notes for the Examination

On the day of examination, applicants must follow the directions given by interviewers. Failure to follow these instructions or engaging in acts that may compromise the fairness of the examination may be regarded as misconduct. In case of any cheating, the results of the examination taken on that day will be invalidated.

If any cheating is discovered after the notification of acceptance or after enrollment, the acceptance and admission will be revoked. In such cases, the application fee, admission fee, tuition, and any other fees already paid will not be refunded.

10. Announcement of the Selection Results

Announcement of the selection results 12:00, December 25, 2026 (JST) (scheduled)

The results will be notified on the UCARO website.

(Note)

1. **No announcement of successful applicants' examinee numbers will be made on campus or on the University's official website.** Inquiries by phone or other means about the selection results will not be accepted.
2. **As the successful applicants will receive the results notification (PDF file) via the UCARO website, please be sure to download and keep it.** The results notification will be available on the UCARO website after the announcement date; however, if it cannot be found by 12:00 on the following day of the announcement, please contact the School of Applied Biological Science.
3. **A paper copy of the notification will not be issued,** so please print the downloaded file out as needed. **The results notification can be seen and downloaded on the UCARO website until April 30, 2027. Please note that it cannot be seen and downloaded after May 1, 2027, nor will it be reissued.**
4. If the results notification (PDF file), or a printed copy of it, is used for procedures such as applications for residence status or scholarships, it is the applicant's responsibility to use it appropriately
5. Documents required for enrollment procedures will be sent to successful applicants via the UCARO website.

11. Enrollment Procedures

A part of the enrollment procedures and the payment of the enrollment fee will be completed using the UCARO ID (email address) and password registered at the time of application. Therefore, please keep your ID and password in a safe place even after completing your application.

(1) Period

From February 10 to February 17, 2027, NO LATER THAN 17:00 (JST) (must arrive by this date)

- * The deadline for payment of the admission fee is 17:00 on the final day of the enrollment procedure period.
- * Details regarding the enrollment procedures will be provided separately to successful applicants.

(2) Submission of Documents by Post

Send the required documents by registered express mail (or EMS) so that they arrive at the School of Applied Biological Science (see the last page) within the enrollment procedure period.

- * Please note that the mailing address is not the Office of Admissions.

(3) Required Documents

Successful applicants will be notified separately via the UCARO.

(4) Enrollment and tuition fees

- a. Enrollment fee JPY 282,000*
- b. Tuition fee (full-year) JPY 535,800*

*The above amounts are valid as of July 2026. The actual fees to be paid and specific payment methods, as well as information on admission fee and tuition fee exemptions and deferment, will be announced in the “Enrollment Procedure Guide”.

- The admission fee once paid will not be refunded under any circumstances.
- If the admission fee is revised, the revised amount will be applied.
- If the tuition fee is revised during enrollment, the revised amount will be applied.

(5) Notes on Enrollment Procedures

1. Successful applicants who have no intention to enroll at Hiroshima University and thus decline admission, are required to submit by no later than 17:00, February 17, 2027, a handwritten notice of withdrawal from enrollment to the School of Applied Biological Science by post. Format is optional, but applicants should write their name, address, examinee's number, the School/Department for which they took the entrance examination, and their reason(s) for withdrawal from enrollment.

If you are unable to submit a handwritten notice of withdrawal by the final day of enrollment procedures, please first contact the School of Applied Biological Science by phone or email, and then promptly submit a copy of the handwritten notice of withdrawal by email attachment, followed by sending the hardcopy notice itself by post via registered express mail or EMS (Express Mail Service).

*Please write on the surface of the envelope as follows:

“This envelope contains a notice of withdrawal from enrollment”

2. **In case you do not complete the enrollment procedure within the period stated above, you will be regarded as you withdraw from the admission.**
3. If successful applicants fail to fulfill the requirements in the “4. Application Eligibility” section, their admission will be cancelled even after completion of the procedures.
4. If successful applicants wish to decline admission for any reason after completion of the enrollment procedures, they must contact the School of Applied Biological Science by 17:00 on March 31, 2027.

In such cases, the admission fee will not be refunded

Please note that applications to decline admission will not be accepted on or after April 1, 2027. Applicants will be required to withdraw after paying the tuition fee.

(6) Notes and Consent Concerning the Child Sexual Violence Prevention Act

Pursuant to the “Act on Measures for the Prevention of Sexual Violence, etc. against Children by School Founders, etc. and Private Education and Childcare Business Operators (学校設置者等及び民間教育保育等事業者による児童対象性暴力

等の防止等のための措置に関する法律)” (hereinafter referred to as the “Act”, also commonly referred to as the “Child Sexual Violence Prevention Act”) , students who participate in teaching practicums, caregiving experience programs, internships, volunteer activities, or other activities required for the acquisition of a teaching license may be subject to confirmation of any prior convictions for sexual offenses.

Having regard to the purpose of the Act, the University requires, as part of the admission procedures, that successful applicants provide their prior consent with respect to the relevant matters.

For further details concerning the foregoing notes and consent matters, please refer to the following website.

URL: <https://momiji.hiroshima-u.ac.jp/momiji-top/en/learning/koseibouhou.html>

12. Pre-Enrollment Education

The School of Applied Biological Science will provide pre-enrollment education materials to all successful applicants in order to prepare them for the subjects they will study within the program. The details will be sent to successful applicants.

Splendor Scholarship Program

Hiroshima University has an original scholarship program based on the Hiroshima University Fund to support students with excellent academic record and remarkable personality but have financial difficulties continuing their university education.

* The application for this scholarship program is for students in their 2nd year of undergraduate study.

Contents of Support

**Full tuition exemption
(3rd year or later)**

+

**Monthly scholarship
of 100,000 yen**

- Scholarship recipients who failed to meet the academic requirements set by Hiroshima University (HU) during their period of study will lose their eligibility for the scholarship.
- Students who graduate and proceed to one of HU's graduate schools or an advanced course can continue to receive scholarship if they meet the requirements set by HU. In addition, the full enrollment fee for graduate schools or an advanced course will also be exempted.

Eligibility

A few 2nd year undergraduate students at the time of application (enrolled in AY 2025), who meet the three selection criteria listed below will be selected.

(However, those who were enrolled in the Entrance Examination by Recommendation for the Department of Medicine, School of Medicine ("Furusato quota") will be excluded.)

Application

For details, please refer to the website listed at the bottom. (To be updated around mid-December)

The application period will be January. Applicants need to submit documents verifying their annual income such as withholding slip and tax return. Please obtain and prepare necessary documents in advance.

Selection Criteria

Scholarship recipients are selected from the applicants who meet the following 3 requirements.

【Academic requirements】

Students who earned the standard number of credits of the school they enrolled in, and maintained a GPA of 80 or above (from their 1st year until the end of the first half of the 2nd year)

【Character evaluation】

Students who have never been subjected to disciplinary punishment by "Hiroshima University Student Disciplinary Regulations" before.

【Economic situation】

Applicants' degree of economic hardship is measured based on the total annual income of the previous year (January through December, 2026).

The amount remaining after subtracting the amount of special tax deduction (specified according to family structures and circumstances) from the total household's income, must be equal to or less than the amount set by HU.

Information on the Necessity of a Laptop Computer

At Hiroshima University, students are required to have a laptop because they will use it in many situations, including attending lectures such as “Introduction to University Education”, writing reports, writing theses, and attending online lectures.

Students have to log in to the student information website MOMIJI (<https://momiji.hiroshima-u.ac.jp/momiji-top/en/index.shtml>) to complete various procedures such as class registration, grades check, and confirmation of communication from teachers and administrative offices, etc. Other than that, a laptop is necessary for your whole campus life. Therefore, you must prepare a laptop before enrolling.

Requirements for AY 2026 are available at:

https://www.hiroshima-u.ac.jp/en/about/initiatives/jyoho_ka/hikkei_pc

Requirements for AY 2027 will be available from December 2026 at the same URL.

[Important] For those who have difficulty preparing a laptop due to financial reasons

Laptop rental service is available for students who have difficulty preparing laptops due to financial reasons. Students who wish to use the service can borrow a laptop for free for a year. Please read “Guidance Regarding Laptop Rental Service” in “Student's Guide” to check the conditions and other details of the service, and then take the necessary procedures.
