

## 2019 Schedule for Startup Workshop for Your Laptop

Every student at Hiroshima University is required to have their own laptop and to use it in their academic activities.

(Please refer to page 35 listed on "Student's Guide".)

Freshman must attend "Startup Workshop for Your Laptop" because we will explain required settings and information to use your laptop on the campus.

### Registration

**Student who has Co-op original PC: No need to register.**

**Student who has other than Co-op original PC: Please submit registration form on the following QR code.**

Please check the URL below for details.
