### Dr. Helen Fagan

Dr Helen Abdali Soosan Fagan, an Assistant Professor in Leadership Engagement at University of Nebraska–Lincoln, holds a PhD in Human Sciences with specialization in Leadership studies. Her teaching and research interests are in Diversity, Inclusive Leadership, Intercultural Mindset Development, Psychological Capital and its impact on Intercultural Mindset.

Dr Fagan, also serves as the Director of Leadership Engagement at Rural Futures Institute a university wide institute serving all University of Nebraska campuses. In this role, she is leading an experiential learning opportunity, while conducting research in Inclusive Leadership, connecting students and community leaders.

Prior to entering Academia, Dr Fagan, was a healthcare leader for over 20 years. Dr Fagan created and led a Diversity and Cultural Competence program in a large hospital system which led her to the current research and teaching.

She is a highly sought after scholar who has been invited to teach in multiple regions of the United States, and numerous countries around the world. She has also received numerous awards.

*"We don't see things as they are; we see things as we are."*

-Aanis Nin

### Dr. Naomi Tsunematsu

Dr. Naomi Tsunematsu is an Associate Professor of Morito Institute of Global Higher Education at Hiroshima University. Her teaching and research interests are in International Experiential Learning, Diversity, Intercultural Education and Leadership, Consciousness and Empowerment, and Gender Theories.

Dr. Tsunematsu is also the Director of Hiroshima University Study Abroad Program (HUSA), and has developed various kinds of educational opportunities to connect international students and local societies.
