

Announcement of Faculty Position
Graduate School of Biomedical and Health Sciences, Hiroshima University, Japan

June 17, 2019

Hiroshima University has been selected as one of the 13 Type A (top type) universities under the fiscal 2014 program to support the creation of super global universities. Hiroshima University aims to become one of the global top 100 universities by continuously fostering global leaders and creating knowledge while promoting university reforms centering on the twin pillars of educational and research capabilities.

Graduate School of Biomedical and Health Sciences, Hiroshima University seeks applicants for 1 professor position.

In education we seek a person as Professor who can instruct graduate and undergraduate students in dental pharmacology and related subjects, while having sufficient knowledge to train students in the School of Dentistry (Programs of Dentistry and Oral Health Science) and the Graduate School of Biomedical and Health Sciences to be advanced dental professionals or researchers.

Our School of Dentistry launched an International Dental Course in 2011 and is implementing student education to improve their global competency. In the school Professors are required to conduct lectures in accordance with "Dual Linguistic Education system" using both English and Japanese.

In research, we seek a person as Professor who can direct studies in the field of dental pharmacology and related areas. It is expected that this person shall be able to conduct research projects in cooperation with other research facilities and hospitals within and outside Hiroshima University.

We seek a person in the wide range of dental pharmacology field, having enthusiasm for educational and research activities and can achieve excellent research results. The person shall understand the principles and visions of our schools, hospital and university and have belief in and passion for our school and university administration.

We would appreciate if you send this announcement to relevant audiences. Also, we would be grateful if you could recommend someone who meets our requirements or encourage competent candidates to apply for this position.
