

Physiological Responses of Rice to Saline-Alkaline Stress

(塩アルカリストレスに対するイネの生理的応答)

Rowland Maganizo Kamanga

Program of Bioresource Science
Graduate School of Integrated Sciences for Life
Hiroshima University

30 July, 2021, 13:00~14:00

Online presentation (Microsoft Teams Code: **2wpmkxa**)

Saline-alkaline soils

Responses of rice seedlings to saline, saline-alkaline, and alkaline stresses
