3. Admissions Policy

The Department of Integrated Global Studies (IGS) hopes to admit students with the following attributes, based on the diploma policy and curriculum policy for the Integrated Global Studies Program organized by the Department.

- (1) Students who would like to understand global issues with an integrative perspective to pursue world peace while respecting linguistic, cultural, and religious differences;
- (2) Students who are interested in natural sciences and would like to work towards the harmonious relationship between human beings and nature; and
- (3) Students who are willing to improve language skills and make a contribution to global society.

The Department expects that, before enrollment, prospective students have developed an interest in and learned about the following:

- The subjects learned in high school, namely, Language and Culture Studies, History and Geography, Ethics, Political and Economic Science, Mathematics, Science, and Foreign Language;
- A wide range of academic areas across disciplinary boundaries such as the humanities and sciences, and various challenges confronting present-day society; and
- Problems and issues regarding the international community, the global environment, and cross-cultural understanding.

The Department hopes to admit students who, after their enrollment, will be able to:

- Understand and analyze the various challenges confronting the international community from multifaceted perspectives transcending disciplinary boundaries between the humanities and sciences (integrated thinking);
- Understand others irrespective of the differences among countries/regions, cultures, religions and languages, and think about things from a global perspective encompassing human society and its surrounding natural environment (global vision); and
- Address various challenges of the international community from a peace-seeking viewpoint, and work toward the realization of world peace and harmony between people and nature, in a cooperative and creative manner (cooperative action).

4. Application Eligibility

Applicants must fulfill the following **Requirements 1 to 3**.

Requirement 1: Nationality

Applicants must have a nationality other than Japanese at the time of application period. Persons who have a Japanese nationality at the time of application cannot apply for this examination.

Requirement 2: Education Qualifications

Applicants must satisfy any one of the following conditions:

- (1) Persons who have completed, or who are expected to complete 12 years of school education in a country other than Japan by March 31, 2022, or those possessing equivalent academic qualifications specified by the Minister of Education, Culture, Sports, Science and Technology of Japan (Note 1).

(Note 1) Those possessing equivalent academic qualifications specified by the Minister of Education, Culture, Sports, Science and Technology means that you meet any one of the following qualifications from a to e.

- a. Persons who will be at least 18 years old by March 31, 2022, and who have, in a country other than Japan, passed or are expected to pass a nationally recognized academic qualification test certifying that the applicant has academic ability equivalent to a 12-year school education curriculum (including examinations equivalent to national examinations; the same shall apply in the next item).
- b. Persons who have completed—in a country other than Japan—a school curriculum that is equivalent to that of senior high school level (including those who have passed an examination in the said country that is recognized as an academic qualification test that certifies that the applicant has an academic ability equivalent to or higher than that of those who have completed such a curriculum), and who have, by March 31, 2022, completed, or who are expected to complete a pre-university preparation education curriculum required for admission to universities in Japan, which is designated by the Minister of Education, Culture, Sports, Science and Technology, or other preparatory curriculum consisting of education relating to subjects required for admission to universities in Japan and training at facilities separately designated by the Minister of Education, Culture, Sports, Science and Technology.
- c. Persons who have, by March 31, 2022, completed, or who are expected to complete—in a country other than Japan—a school curriculum that is equivalent to that of a senior high school level, which is separately designated by the Minister of Education, Culture, Sports, Science and Technology (only if the completion of the curriculum is considered comparable to the completion of an 11-year or more-year school curriculum in the said country, and the curriculum satisfies other requirements specified by the Minister of Education, Culture, Sports, Science and Technology).

d. Persons who have, by March 31, 2022, completed, or who are expected to complete, a curriculum at an educational institution established in Japan within the scope of the educational system of a foreign country, that is equivalent to the curriculum of schools that correspond to high school level in the said country (only if the completion of the curriculum is considered comparable to the completion of a 12-year school curriculum in the country's educational system).

e. Persons who have, by March 31, 2022, completed, or who are expected to complete, a curriculum at an educational institution established in Japan within the scope of the educational system of a foreign country, that is equivalent to the curriculum of schools that correspond to high school level in the said country (except if the completion of the curriculum is considered comparable to the completion of a 12-year school curriculum in the country's educational system), and who have completed the preparatory education curriculum specified in item b above.

(Note 2) **Persons who have attended international schools and American schools may not be eligible to apply, or it may take time to confirm their application eligibility.** For these reasons, they should inquire about their eligibility as early as possible before October 30 as they may need to apply for the individual review by Hiroshima University described in (7).

(2) Persons who have, by March 31, 2022, obtained, or who are expected to obtain, the International Baccalaureate Diploma qualification granted by the International Baccalaureate Organization, which is a foundation established in accordance with the Swiss Civil Code.

(3) Persons who have, by March 31, 2022, obtained, or who are expected to obtain the Abitur certificate, recognized as the qualification for admission into a university by the Federal Republic of Germany.

(4) Persons who have, by March 31, 2022, obtained, or who are expected to obtain, the Baccalauréat Diploma, recognized as the qualification for admission into a university by the Republic of France.

(5) Persons who have, by March 31, 2022, obtained, or who are expected to obtain, the General Certificate of Education Advanced Level (GCE A Level), recognized as the qualification for admission into a university by the United Kingdom of Great Britain and Northern Ireland.

(6) Persons who have, by March 31, 2022, completed, or who are expected to complete, a 12-year education curriculum in a school accredited by the Western Association of Schools and Colleges (WASC) headquartered in California, the United States of America; the Association of Christian Schools International (ACSI) headquartered in Colorado, the United States of America; or the European Council of International Schools (CIS) headquartered in Hampshire, the United Kingdom of Great Britain and Northern Ireland.

(7) Persons who have been recognized through an individual review by Hiroshima University as being equivalent to or higher than a high school graduate in scholastic activity, and will be at least 18 years old by March 31, 2022 (Note 3).

(Note 3) Persons whose academic background falls under (7) must apply for the Individual Review from 9:00 on November 24 to 17:00 on November 29, 2021 (Japan Standard Time).

5. Application Procedures

(1) Application Method

- ① Register an account with UCARO
- ② Enter your application data online
- ③ Upload your photo
- ④ **Pay the application fee** (Those requesting disclosure of their entrance examination results must pay an additional fee of JPY 300 for the disclosure.)
- ⑤ **Send the application documents listed in [7. Application Documents] by post using the simplified registered and express mail (Kan'i Kakitome Sokutatsu).**

Note: mailing by post using the simplified registered and express mail service - *kan'i kakitome sokutatsu* (For those applying from outside Japan, by the fastest international mail method such as EMS: Express Mail Service) or by uploading files of the documents to the online application system. You must also ensure that the documents reach the University no later than the prescribed deadline. Please note that all times and dates indicated in this Guide are based on Japan Standard Time (JST).

(2) Data entry into the online application system

【1】 UCARO

Hiroshima University uses the UCARO system, where procedures from application to admission are consolidated.

Making an application requires account registration with UCARO (free of charge).

A UCARO account must be created for each user.

Please do not share one UCARO account among your siblings.

At Hiroshima University, tasks performed in the UCARO system include checking the examinee's number, printing the examination card, etc., checking the examination guide, processing part of the enrollment procedure, and disclosing entrance examination results*.

*You will continue to use the email address you have registered for your UCARO account throughout the process from making an application to disclosure of your examination results. Be sure to make a note of your ID (email address) and the password created at the time of your UCARO account registration.

Please note that you may register an account with UCARO prior to the application period. If you already have UCARO account, you will not need to register an account again.

【2】 Online application

Step 1

Access the online application system from the Hiroshima University Admission Information website
<https://www.hiroshima-u.ac.jp/en/nyugaku>

Step 2

Register an account with UCARO

Select [UCARO Account Registration] in the Hiroshima University Online Application system. After completing the registration, proceed to the application procedure.

- * For those who have already registered their UCARO accounts, select [UCARO Login] and proceed with the application procedure.
- * **Since the University will send important notices using the UCARO message function, please check the UCARO website from time to time.**

Step 3

Enter application data (Select the examination category, etc. for which your application is being made.)

- ▶ For those requesting disclosure of their entrance examination results (see “Disclosure of Examination Results (Personal Information)), a disclosure fee of JPY 300 will be added to their application fees. No changes will be accepted after you have paid the application fee.

Step 4

Enter personal information

- ▶ Enter your personal information accurately according to the instructions on the screen.
- ▶ Any errors in your contact information, including address and telephone number, may prevent us from delivering important documents to you or calling you when necessary for your entrance examination.
Be sure to provide contact information for where you can be reached.

Step 5

Confirm entries

- ▶ Confirm the data entered in Step 3 and Step 4. If an erroneous entry or entry requiring correction is noted, please be sure to make the necessary modification.
- ▶ Many errors have been made every year in items such as address (house number), name, date of birth, and names of school, department and elective subject of applicant's choice. Please double check the data to be entered to ensure the accuracy of your entries.
- ▶ Any changes in items related to the examination category and the names of school, department/cluster (program), course/major, system, and examination subjects for which the application has been made will not be accepted after the application period has closed.

Step 6

Check required documents and upload a photo

- ▶ Check [7. Application Documents] in this Guide and send the documents required for the application by post.
- ▶ Submission of the photo by post will not be accepted. It must be uploaded to the online application system.

〈Photo instructions〉

- Must have been taken recently (within 3 months) prior to the application in color or black and white (A color photo is preferred.)
 - Must be in JPEG file format, with 640 pixels high x 480 pixels wide as the preferred dimensions.
 - On the day of the entrance examination, we will check the photo you have uploaded at the time of the application against your face.
 - **The uploaded photo, which will be used for your photo ID card for the examination, will also be used for your student ID card after enrollment and will be maintained in the University's educational affairs system for use until graduation.**
Therefore, please upload an appropriate photo for use after enrollment as well.
Once uploaded, your photo will not be allowed to be replaced.
A fee of JPY 1,000 will be charged for changing the content of your student ID card (photo and your name) after enrollment.
 - **Using the Acceptable Photo Example for reference, upload a photo showing your upper body, facing forward (in focus) without wearing a hat or cap, and with nothing in the background.**
- * For more details, refer to the Acceptable Photo Example.
- * The size of your face photo data can be adjusted on the screen. Before registering, please adjust the size as needed to ensure that the photo shows your face clearly.
- * In cases where your photo is deemed inappropriate as an application photo as shown by the Unacceptable Photo Examples, you may be required to submit a new photo.

For submission of your photo, refer to the Acceptable Photo Example below.

• Acceptable Photo Example

- There is blank space in the upper part of the photo.
- Subject is facing horizontally and squarely to the front
- The face is occupying at least one half of the overall image area.

7. Application Documents

Submit the following documents A to G within the application period.

Document A: Personal Statement

Document B: Educational Background

Document C: Document to Prove Your Application Eligibility

Document D: Document to Prove Your English Language Proficiency

Document E: Academic Transcripts and Test Results

Document F: Copy of Passport

Document G: Copy of Certificate of Residence

(IMPORTANT)

1. In principle, application documents must be originals, unless otherwise designated. For certificates and other documents that cannot be reissued, however, submit a certified copy*¹ instead of the original document, as none of your submitted application documents can be returned.

*¹ A copy certified by an official organization (preferably an organization, such as a school, that issued the said document) as true to the original, and on which the said organization has placed its official seal.

2. Documents serving as certificates written in a language other than Japanese or English must be accompanied by a Japanese or English translation. Please attach an official translation with the translator's name, contact information and signature or official seal for documents*². The translations are accepted only when they are made by the organization that issued the said document, a translation company, or a qualified translator*².

*² Except for the documents attached to the Personal Statement 3 (Additional Information) form (Document A).

3. If the applicant's present name is different from that written on the application documents due to a name change or other reasons, please provide a copy of official documents, such as an official copy of the applicant's family register, issued by an official institution, to prove that the applicant is the same person as the person indicated on the documents submitted.

Document A: Personal Statement

Access the Department of Integrated Global Studies website (<https://www.hiroshima-u.ac.jp/en/igs>), and download the Personal Statement forms from the page that provides information on the entrance examination. Complete the forms by typing in English, print them on A4 paper, and manually sign your name on the forms. Print each form on a single page, and submit all the "Personal Statement 1", "Personal Statement 2", and "Personal Statement 3 (Additional Information)" forms.

On the Personal Statement 1 and 2 forms, write essays on the following two topics in around 400 words, respectively.

Topic 1: Explain reasons why you want to study in the Department of Integrated Global Studies at Hiroshima University and what you want to study. (around 400 words)

Topic 2: What do you think is the most important issue of the Sustainable Development Goals (SDGs) out of the 17 goals set by the United Nations? Explain your idea about how to achieve it through the integration of scientific, technological, and socio-cultural factors. (around 400 words)

On the Personal Statement 3 (Additional Information) form, indicate whether you have any documents that prove your accomplishments and achievements. If you have this sort of documentation, type the title of each document on this form. Then submit the form together with the relevant documentation (photocopies are accepted). When making photocopy of documents, please use A4 paper or papers equivalent to A4 (29.7cm × 21cm) size. If the documentation is in a language other than Japanese or English, then provide a translation in either Japanese or English. For this documentation only, the applicants may do the translation by themselves.

*Examples of documents that can prove your accomplishments and achievements

If you have experience of winning a prize in an English speech contest or other activity, such as taking proficiency examinations in foreign languages other than English, studying abroad, or participating in events including the Science Olympics or other contests or competitions at national and higher levels, submit the documents that prove your participation results.

If the restrictions proscribed due to the novel coronavirus (COVID-19) have led to the cancellation of contests, competitions, examinations, programs, or events designed to demonstrate your achievements/abilities, then submit any documents indicating your achievements/abilities relevant to the requirements, or indicating your efforts toward actualizing/demonstrating such achievements/abilities.

Document B: Educational Background

Access the Department of Integrated Global Studies website (<https://www.hiroshima-u.ac.jp/en/igs>), and download the specified form for Educational Background from the page that provides information on the entrance examination. Submit the completed specified form for Educational Background (1/2) and (2/2).

(IMPORTANT)

1. Application documents should be typed or handwritten by the applicant. The applicant must place his/her handwritten signature on these documents. When application documents are handwritten, use a black ballpoint pen.
To make a correction, draw a horizontal double line on the erroneous portion, and write the correct information in the margin of the page. Do not use correction fluid/tape to erase errors.
2. Late or incomplete applications will not be considered.
3. Once application documents are accepted, the information contained therein cannot be modified.
4. Application documents that have been accepted may not be returned for any reason.
5. Hiroshima University will void the successful examination results of applicants or admission of students whose application documents are found to contain falsifications or misrepresentations after the examinations or admission.
6. For other matters regarding application, please contact the IGS.

7. The personal information of applicants that Hiroshima University obtained through the process of their applications (name, date of birth, gender, etc.) will only be used for the selection of applicants, announcement of selection results, and admission procedures.

Only if successful applicants approve, the personal information of them will be used to send reference materials about the Hiroshima University Sports Association, the Hiroshima University Festival Executive Committee and Hiroshima University Co-op, and to select applicants to reside in the Ikenoue Student Dormitory. However, for the selection of applicants for the Ikenoue Student Dormitory, only the personal information obtained through the application documents will be used.

Personal information of successful applicants will be used for student support services (academic advising, scholarship applications, application for tuition fee exemption, issuance of student ID cards, etc.) and surveys and studies (improvement of the admission examinations, research and analysis of motivation for application, etc.).

Regarding the use of personal information in the aforementioned matters, such information may be handled by an outside company to which Hiroshima University has entrusted to conduct part of its work (hereinafter referred to as “outsourced company”). In such cases, the university provides the outsourced company with only that part of the personal information it has obtained that is necessary for the outsourced company to conduct its work.

8. Examinee’s Number and printing the Examination Card

After Hiroshima University has received the application documents and confirmed that the application eligibility has been fulfilled, the university will enable applicants check their examinee’s number on the UCARO website after 12:00 on January 17, 2022 at 12:00 (scheduled).

Applicants who have passed the first selection will be able to print the Examination Card and examination guide at UCARO after 12:00 on January 21, 2022 (scheduled), so please print them out from UCARO and bring them on the day of the final selection.

If you cannot print the Examination Card and examination guide, please contact the IGS.

9. Applicant Selection Process

Applicants are selected through the first and final selections.

(1) First selection

- a. Screening method: The screening is done based on application documents (personal statement (Document A), document to prove your English language proficiency (Document D), academic transcripts and test results (Document E)).
- b. Pass/fail decision: The decision will be made based on a comprehensive evaluation of the application documents (personal statement (Document A), document to prove your English language proficiency (Document D), academic transcripts and test results (Document E)) by classifying them into four grades from A to D.

(2) Final selection

- a. Screening method: The applicants who have passed the first selection will be interviewed in person, in English. The interview will be conducted completely in English. The applicants should be able to understand social, global, and scientific issues in English and to express their own ideas logically and persuasively. They are also expected to show their creativity and adaptability in order to work in society.

-Date of the interview examination: From 13:00, February 25, 2022

Information on where to assemble and the time will be provided along with the Examination Card and the final selection guidance through UCARO.

-Examination site: School of Integrated Arts and Sciences at the Higashi-Hiroshima Campus (Address: 1-7-1 Kagamiyama, Higashi-Hiroshima, 739-8521 Japan)

For more detailed information, please see the website at <https://www.hiroshima-u.ac.jp/en/access>.

- b. Pass/fail decision: The decision will be made based on a comprehensive evaluation of the interview test results based on a scale of 300, combined with the evaluation of the application documents (personal statement (Document A),

document to prove your English language proficiency (Document D), and academic transcripts and test results (Document E)).

(IMPORTANT)

1. Applicants should check the examination site at least a day before the interview. Be aware of precautions regarding the examination. Applicants are not permitted to enter the examination site buildings on the day before the examination.
2. On the examination day, enter the room where the examination is being held at least 30 minutes before the examination. After the beginning of the examination, applicants cannot enter the room if more than 30 minutes late. If you are more than 30 minutes late, contact the office of the examination site.
3. Bring your Hiroshima University Examination Card, writing materials (a black pencil, mechanical pencil, eraser, and pencil sharpener) and a watch (equipped with only the clock function).
4. Before entering the room, be sure to turn off the alarm setting and the power supply of your cellular phone, smart phone, wearable device, electronic dictionary, digital voice recorder or other electronic devices, and then place them in your bag. During the examination, if you put on or hold such devices or reference materials in your hand and not keep them in your bag, it may be regarded as cheating. Be sure to check the rules to be followed by applicants, which are set for each examination site.
5. In the examination site and room, applicants must not commit any acts that cause other applicants trouble and that impair fairness in the examination. Also, be sure to follow the instructions of the proctors.
6. Accommodations during their stay for the examination should be arranged by applicants themselves.
7. Hiroshima University may take such measures as postponement of the day or the start time of the examination, when it is difficult to implement the entrance examination due to worsening weather conditions caused by a typhoon etc., the outbreak of an epidemic infectious disease, or for other reasons. In such a case, be sure to access the Hiroshima University website (<https://www.hiroshima-u.ac.jp>), which will provide information on the above measures.
8. For other inquiries regarding taking the examination, please contact the IGS.

10. Announcement of the Selection Results

(1) Announcement of the first selection results 12:00, January 21, 2022 (JST) (scheduled)

The first selection results will be announced at Hiroshima University website (<https://www.hiroshima-u.ac.jp/nyushi/goukaku>) and UCARO website.

Splendor Scholarship Program

Full tuition exemption

&

Monthly scholarship: JPY100,000

“Splendor Scholarship Program” is Hiroshima University’s original program to assist students with excellent academic record and remarkable personality but have financial difficulties continuing their university education.

1. Overview

Contents of support: Full tuition exemption (from the 3rd grade until the end of the standard period of study) and monthly scholarship of JPY 100,000

Number of recipients: Only a few students (New 3rd year undergraduates who enrolled in AY2020)

*Scholarship recipients who failed to meet the academic requirements set by Hiroshima University (HU) during their period of study will lose their eligibility for the scholarship.

* Students who graduate and proceed to one of HU’s graduate schools can continue to receive scholarship if they meet the requirements set by HU.

2. Application

Conditions: 2nd year undergraduates (except enrollees admitted by the Entrance Examination by Recommendation for the Department of Medicine, School of Medicine (“Hometown quota”) in AY2020) who meet the three requirements written in the following “3. Selection criteria” at the time of application.

How to apply: Submit the necessary documents during the application period (**Jan. 17th Mon Jan. 28th, Fri 2022 (Scheduled)**).

Refer to the University’s website for details of the application documents (format) and the latest information for application.

<https://momiji.hiroshima-u.ac.jp/momiji-top/life/keizaishien/hikarikagayaku.html>

From the top page of the Momiji website (Japanese page) -> “学生生活のサポート” -> “経済支援” -> “広島大学光り輝く奨学制度”

*Applicants need to submit documents verifying their annual income such as withholding slip (*gensen-choushu-hyo*) and tax return (*kakutei-shinkoku-sho*). Please obtain and prepare necessary documents in advance.

3. Selection criteria

Screening method: Scholarship recipients are selected from the applicants who meet the following 3 requirements.

Information on the Necessity of a Laptop Computer

From Academic Year 2015, every student at Hiroshima University has been requested to have and use their own laptops in their academic activities. Students will use their laptops in “Daigaku Kyoiku Nyumon (i.e., *Introduction to University Education*)” and other IT-related lectures. Students will also use their laptops and the Internet on a lot of occasions, including when writing lecture reports and papers.

The procedures such as course registration, viewing grades/credits, receiving messages from teachers/the administrative office, etc. are made via the students’ portal site, MOMIJI (<https://momiji.hiroshima-u.ac.jp/>). Computers are often used in lectures. Students must bring their laptops to classrooms when asked by their teachers. Therefore, students need to prepare their laptops before enrollment.

Note that the requirements of laptop are reviewed every year and may differ depending on the school/department. If students already own a laptop meeting the requirements, they do not need to purchase a new one.

Requirements for AY 2021 are available at:

https://www.hiroshima-u.ac.jp/en/about/initiatives/jyoho_ka/hikkei_pc

Requirements for AY 2022 will be available from December 2021 at the same URL.

[Important Notice] For those who have difficulty preparing a laptop due to economic reasons

For students who have difficulty preparing laptops due to economic reasons and fulfill the requirement set by the University, the University will lend a laptop free of charge for a year. Detailed requirements will be available at the “Student’s Guide” for successful applicants. Student who wish to borrow a laptop must apply during the enrollment procedure.
