General information about the university	Çanakkale Onsekiz Mart University was founded in 1992 and developed rapidly in terms of the number of students, staff and facilities and now become a dynamic, progressive, modern university of international standards. The university has introduced European Credit Transfer System and was awarded with the ECTS Label and Diploma Supplement Label by the European Commission. We are aware of the importance of international collaboration in research and education and consequently give importance to developing our international activities. We believe that educational, cultural and scientific cooperation benefits everyone in the long-term by raising academic standards and knowledge. More information can be obtained at http://www.comu.edu.tr/en/
University features	State University Has offer pre graduate certificates, undergraduate degrees and masters and doctoral degrees
Short description of the city	<p>The province of Canakkale lies in the northwest of Turkey on both sides of the Dardanelles (ancient "Hellespont"), a strait which connects the Sea of Marmara to the Aegean Sea. Its shores touch both Europe and Asia.</p> <p>Canakkale is the name of both the city and the province, which includes the legendary citadel of Troy, the ruins of Assos famous for the unparalleled view from the Temple of Athena, and the 1915 battlefields of Gallipoli. Archaeologists say there are up to 200 ancient sites in this region, many still unexcavated. There are also many Ottoman structures still standing: castles, bridges, mosques, mansions and Turkish baths. In the villages and towns, one can still see centuries-old crafts, cooking and styles of dress.</p> <p>When night falls, most of the socialising takes place on or near the seafront, where there are cafes, bars, tea gardens and discos to suit everyone's taste. In short, the city and province of Canakkale present a spectrum of pleasures, beliefs, larger-than-life characters, customs and undiscovered history awaiting exploration by the inquisitive mind or adventurous at heart.</p>
