3. Admissions Policy

The Department of Integrated Global Studies (IGS) hopes to admit students with the following attributes, based on the diploma policy and curriculum policy for the Integrated Global Studies Program organized by the Department.

- (1) Students who would like to understand global issues with an integrative perspective to pursue world peace while respecting linguistic, cultural, and religious differences;
- (2) Students who are interested in natural sciences and would like to work towards the harmonious relationship between human beings and nature; and
- (3) Students who are willing to improve language skills and make a contribution to global society.

The Department expects that, before enrollment, prospective students have developed an interest in and learned about the following:

- The subjects learned in high school, namely, Language and Culture Studies, History and Geography, Ethics, Political and Economic Science, Mathematics, Science, and Foreign Language;
- A wide range of academic areas across disciplinary boundaries such as the humanities and sciences, and various challenges confronting present-day society; and
- Problems and issues regarding the international community, the global environment, and cross-cultural understanding.

After enrollment, the Department will nurture the students' abilities to:

- Understand and analyze the various challenges confronting the international community from multifaceted perspectives transcending disciplinary boundaries between the humanities and sciences (integrated thinking);
- Understand others irrespective of the differences among countries/regions, cultures, religions and languages, and think about things from a global perspective encompassing human society and its surrounding natural environment (global vision); and
- Address various challenges of the international community from a peace-seeking viewpoint, and work toward the realization of world peace and harmony between people and nature, in a cooperative and creative manner (cooperative action).

4. Application Eligibility

Applicants must fulfill the following **Requirements 1 to 3**.

Requirement 1: Nationality

Applicants must have a nationality other than Japanese at the time of application. Persons who have a Japanese nationality at the time of application cannot apply for this examination.

Requirement 2: Educational Qualifications

Applicants must satisfy any one of the following conditions:

- (1) Persons who have completed, or who are expected to complete 12 years of school education in a country other than Japan by March 31, 2023, or those possessing equivalent academic qualifications specified by the Minister of Education, Culture, Sports, Science and Technology of Japan (Note 1).

(Note 1) Those possessing equivalent academic qualifications specified by the Minister of Education, Culture, Sports, Science and Technology means that you meet any one of the following qualifications from a to e:

- a. Persons who will be at least 18 years old by March 31, 2023, and who have, in a country other than Japan, passed or are expected to pass a nationally recognized academic qualification test certifying that the applicant has academic ability equivalent to a 12-year school education curriculum (including examinations equivalent to national examinations; the same shall apply in the next item).
- b. Persons who have completed—in a country other than Japan—a school curriculum that is equivalent to that of senior high school level (including those who have passed an examination in the said country that is recognized as an academic qualification test that certifies the applicant has an academic ability equivalent to or higher than that of those who have completed such a curriculum), and who have, by March 31, 2023, completed, or who are expected to complete a pre-university preparation education curriculum required for admission to universities in Japan, which is designated by the Minister of Education, Culture, Sports, Science and Technology, or other preparatory curriculum consisting of education relating to subjects required for admission to universities in Japan and training at facilities separately designated by the Minister of Education, Culture, Sports, Science and Technology .
- c. Persons who have, by March 31, 2023, completed, or who are expected to complete—in a country other than Japan—a school curriculum that is equivalent to that of senior high school level, which is separately designated by the Minister of Education, Culture, Sports, Science and Technology (only if the completion of the curriculum is considered comparable to the completion of an 11-year or more-year school curriculum in the said country, and the curriculum satisfies other requirements specified by the Minister of Education, Culture, Sports, Science and Technology).

- d. Persons who have, by March 31, 2023, completed, or who are expected to complete a curriculum at an educational institution established in Japan within the scope of the educational system of a foreign country, that is equivalent to the curriculum of schools that correspond to high school level in the said country (only if the completion of the curriculum is considered comparable to the completion of a 12-year school curriculum in the country's educational system).
- e. Persons who have, by March 31, 2023, completed, or who are expected to complete a curriculum at an educational institution established in Japan within the scope of the educational system of a foreign country, that is equivalent to the curriculum of schools that correspond to high school level in the said country (except if the completion of the curriculum is considered comparable to the completion of a 12-year school curriculum in the country's educational system), and who have completed the preparatory education curriculum specified in item b above.

(Note 2) **Persons who have attended international schools and American schools may not be eligible to apply, or it may take time to confirm their application eligibility.** For these reasons, they should inquire about their eligibility as early as possible before April 28 as they may need to apply for the individual review by Hiroshima University described in (7).

5. Application Procedures

(1) Application Method

- ① Register an account with UCARO
- ② Enter your application data online
- ③ Upload your photo
- ④ **Pay the application fee**

In addition to the JPY 17,000 examination fee, the following fees are also required:

- JPY 900 as a processing fee for ALL applicants
- JPY 300 as a disclosure fee (ONLY for applicants who request disclosure of their entrance examination results)

- ⑤ **Send the application documents listed in [7. Application Documents] by post using the fastest international mail method such as EMS (Express Mail Service).**

Note: Entering application data online and paying the application fee do not constitute the completion of online application procedures. You must separately send your application documents, etc. that require mailing by post using the fastest international mail method such as EMS: Express Mail Service. You must also ensure that the documents reach the University no later than the prescribed deadline.

Please note that all times and dates indicated in this Guide are based on Japan Standard Time (JST).

(2) Data entry into the online application system

[1] UCARO

Hiroshima University uses the UCARO system, where procedures from application to admission are consolidated.

Making an application requires account registration with UCARO (free of charge).

A UCARO account must be created for each user.

Please do not share one UCARO account among your siblings.

At Hiroshima University, tasks performed in the UCARO system include checking the examinee's number, printing the examination card, etc., checking the examination guide, processing part of the enrollment procedure, and disclosing entrance examination results*.

*You will continue to use the email address you have registered for your UCARO account throughout the process from making an application to disclosure of your examination results. Be sure to make a note of your ID (email address) and the password created at the time of your UCARO account registration.

Please note that you may register an account with UCARO prior to the application period. If you already have UCARO account, you will not need to register an account again.

UCARO system website: <http://www.ucaro.net/>

[2] Online application

Step 1

Access the online application system from the Hiroshima University Admission Information website
<https://www.hiroshima-u.ac.jp/en/nyugaku>

Step 2

Register an account with UCARO

Select [UCARO Account Registration] in the Hiroshima University Online Application system. After completing the registration, proceed to the application procedure.

* For those who have already registered their UCARO accounts, select [UCARO Login] and proceed with the application procedure.

* **Since the University will send important notices using the UCARO message function, please check the UCARO website from time to time.**

Step 3

Enter application data (Select the examination category, etc. for which your application is being made.)

- ▶ For those requesting disclosure of their entrance examination results (see “Disclosure of Examination Results (Personal Information)), a disclosure fee of JPY 300 will be added to their application fees. No changes will be accepted after you have paid the application fee.

Step 4

Enter personal information

- ▶ Enter your personal information accurately according to the instructions on the screen.
- ▶ Any errors in your contact information, including address and telephone number, may prevent us from delivering important documents to you or calling you when necessary for your entrance examination.
Be sure to provide contact information for where you can be reached.

Step 5

Confirm entries

- ▶ Confirm the data entered in Step 3 and Step 4. If an erroneous entry or entry requiring correction is noted, please be sure to make the necessary modification.
- ▶ Many errors have been made every year in items such as address (house number), name, date of birth, and names of school, department and elective subject of applicant’s choice. Please double check the data to be entered to ensure the accuracy of your entries.
- ▶ Any changes in items related to the examination category and the names of school, department/cluster (program), course/major, system, and examination subjects for which the application has been made will not be accepted after the application period has closed.

Step 6

Check required documents and upload a photo

- ▶ Check [7. Application Documents] in this Guide and send the documents required for the application by post.
- ▶ Submission of the photo by post will not be accepted. It must be uploaded to the online application system.

〈Photo instructions〉

- Must have been taken recently (within 3 months) prior to the application in color or black and white (A color photo is preferred.)
 - Must be in JPEG file format, with 640 pixels high x 480 pixels wide as the preferred dimensions.
 - On the day of the entrance examination, we will check the photo you have uploaded at the time of the application against your face.
 - The uploaded photo, which will be used for your photo ID card for the examination, will also be used for your student ID card after enrollment and will be maintained in the University’s educational affairs system for use until graduation.
Therefore, please upload an appropriate photo for use after enrollment as well.
Once uploaded, your photo will not be allowed to be replaced.
A fee of JPY 1,000 will be charged for changing the content of your student ID card (photo and your name) after enrollment.
 - Using the Acceptable Photo Example for reference, upload a photo showing your upper body, facing forward (in focus) without wearing a hat or cap, and with nothing in the background.
- * For more details, refer to the Acceptable Photo Example.
- * The size of your face photo data can be adjusted on the screen. Before registering, please adjust the size as needed to ensure that the photo shows your face clearly.
- * In cases where your photo is deemed inappropriate as an application photo as shown by the Unacceptable Photo Examples, you may be required to submit a new photo.

For submission of your photo, refer to the Acceptable Photo Example below.

• **Acceptable Photo Example**

- There is blank space in the upper part of the photo.
- Subject is facing horizontally and squarely to the front
- The face is occupying at least one half of the overall image area.
- Both eyes are visible.
- The photo shows part of the shoulders.
- There is nothing in the background (plain).

If you have difficulty meeting these acceptable photo specifications, please contact the IGS prior to application.

• **Unacceptable Photo Examples**

Hair, smartphone or other object is creating a shadow on the face.

Hair is falling across eyes.

Either of the eyes is covered.

Wearing a scarf or sunglasses

Entire head or facial contours do not fit into the photo.

Head occupies an extremely large proportion of the entire space of the photo.

Head occupies an extremely small proportion of the entire space of the photo.

Not facing squarely to the front

Objects appear in the background (curtains, windows, shadows, etc.)

The photo size does not fit the frame.

Step 7

Enter payment information

- ▶ Select the payment method for the application fee and the examination result disclosure fee (only for those requesting the disclosure) from among the following options ① to ④.

For details, refer to (3) “Payment method for the application fee” in this Guide.

7. Application Documents

Submit the following documents A to F within the application period.

Document A: Personal Statement

Document B: Educational Background

Document C: Document to Prove Your Application Eligibility

Document D: Document to Prove Your English Language Proficiency

Document E: Academic Transcripts and Test Results

Document F: Copy of Passport

(IMPORTANT)

1. In principle, application documents must be originals, unless otherwise designated. For certificates and other documents that cannot be reissued, submit a certified copy*¹ instead of the original document, because none of your submitted application documents can be returned.

*¹ A copy certified by an official organization (preferably an organization, such as a school, that issued the said document) as true to the original, and on which the said organization has placed its official seal

2. Documents serving as certificates written in a language other than Japanese or English must be accompanied by a Japanese or English translation. Please attach an official translation with the translator's name, contact information and signature or official seal for documents*². The translations are accepted only when they are made by the organization that issued the said document, a translation company, or a qualified translator*².

*² Except for the documents attached to the Personal Statement 3 (Additional Information) form (Document A).

3. If the applicant's present name is different from that written on the application documents due to a name change or other reasons, please provide a copy of official documents, such as an official copy of the applicant's family register, issued by an official institution, to prove that the applicant is the same person as the person indicated on the documents submitted.

Document A: Personal Statement

Access the IGS website (<https://www.hiroshima-u.ac.jp/en/igs>), and download the Personal Statement forms from the page that provides information on the entrance examination. Complete the forms **by typing** in English, print them on A4 paper, and manually sign your name on the forms. Print each form on a single page, and submit all the "Personal Statement 1", "Personal Statement 2", and "Personal Statement 3 (Additional Information)" forms.

For the Personal Statement 1 and 2 forms, please write essays on the following two topics in around 400 words on the Personal Statement 1 and 2 forms, respectively.

Topic 1: Explain reasons why you want to study in the Department of Integrated Global Studies at Hiroshima University and what you want to study. (around 400 words)

Topic 2: Which global issue do you consider to be the most important or urgent? Explain why, and how to address any relevant problem or problems. Express yourself in your own words, integrating scientific, technological and socio-cultural aspects. (around 400 words)

On the Personal Statement 3 (Additional Information) form, indicate whether you have any documents that prove your accomplishments and achievements. When you have such a document or documents, type the title and a brief explanation of the document(s) on this form. Then submit the form with the relevant documents attached (photocopies are accepted). When making copy of documents, please use A4 paper or papers equivalent to A4 (29.7cm × 21cm) size. If the documentation is in a language other than Japanese or English, then provide a translation in either Japanese or English. For this documentation only, the applicants may do the translation by themselves.

Please note that the number of documents you can submit for the Personal Statement 3 is limited to five. The document includes such as:

- 1) If you have experience of winning a prize in an English speech contest or other activity, taking proficiency examinations in foreign languages other than English, studying abroad, or participating in events such as the Science Olympics or other contests or competitions at national and higher levels, submit the documents that prove your participation and/or results in such events.
- 2) If the restrictions proscribed due to the novel coronavirus (COVID-19) have led to the cancellation of contests, competitions, examinations, programs, or events designed to demonstrate your achievements/abilities, then submit any documents indicating your achievements/abilities relevant to the requirements, or indicating your efforts toward actualizing/demonstrating such achievements/abilities.

Document B: Educational Background

Access the IGS website (<https://www.hiroshima-u.ac.jp/en/igs>), and download the specified form for Educational Background from the page that provides information on the entrance examination. Submit the completed specified form for Educational Background (1/2) and (2/2).

Document C: Document to Prove Your Application Eligibility

Please see page 4 to 6 for the application eligibility [Requirement 2: Educational Qualifications].

Application eligibility [Educational Qualifications]	Application documents	Description
(1)	Certification of (expected) completion of 12-year school curriculum	<p>Submit the original document or a certified copy of the certificate of (expected) graduation/completion, issued by the school attended by the applicant in his/her 12-year school curriculum, or the high school graduation equivalency certificate (or the certificate of expected success in the high school graduation equivalency examination).</p> <p>It is highly recommended that applicants who have graduated high schools in China (excluding that in Taiwan, Hong Kong, and Macao) additionally submit the Verification Report of China Secondary Education Qualification Certificate (中国中等教育学历认证报告).
