- Online Application System Instructions for Candidates (Prospective Fellows) -

Overview of the entire application process

This guide summaries, explains how to enter and submit application details for **Candidates (Prospective Fellows)**. An overview of the entire application process is shown in the following figure.

Application Process

1 Preparation for Application

Prepare the following documents prior to application.

- ✓ Filled-out FORM B-1 for preparation (Excerption from FORM B-1 for Preparation)
- ✓ Letter of Recommendation (FORM B-2; PDF)

— This should be converted to PDF at the time of submission and should be prepared by a recommender.

✓ Documents certifying awards (PDF)

— If you have received awards in the past, prepare documents to prove them (e.g., certificates, copies of newspaper articles, etc.). If you have multiple files, compress them into a .zip file in advance.

✓ Reprints/offprints of your major publications (up to five; PDF)

—If you have multiple files, compress them into a zip file in advance.

Note: Collaborative Research Plan (FORM A-2) must be developed jointly by you and your host researcher, but it should be submitted by your host researcher, not by you.

2 Preliminary Registration
