General information about the university	The Student Exchange Program in Nanjing University brings together students from around the world. It offers numerous courses in Chinese language and culture, utilizing the extensive historical and cultural resources of the ancient city of Nanjing. The program also offers courses of different subjects in English. Nanjing is an ideal place for study and living, being a city with one of the high concentrations of academic institutions in China. By studying in Nanjing University (NJU), students are able to take advantage of the rich academic and cultural environment of NJU, leading to a truly fruitful and memorable study experience in China.
University features	
Short description of the city	Nanjing is the capital of Jiangsu province in East China, running through the city are lower reaches of the Yangtze River whose estuary is not far away. Nanjing enjoys a civilization of over 6000 years and the city itself was founded 2500 years ago. Enclosed by mountains and rivers, and located in a strategic place, it boasts picturesque scenery that blends natural landscape with towering modern buildings, integrating traditional styles with modern civilization. Thus it was known as a unique historic and cultural city to the world.
