More Information

Making plum knots with Mizuhiki

- Let's touch Japanese traditional culture "MIZUHIKI"
- Make your own plum-knot key chains for souvenirs
- It will only take 10 minutes for the class
- Instructor: Ms. SAWAI Ritsuko (Hiroshima Kimono Asobi)

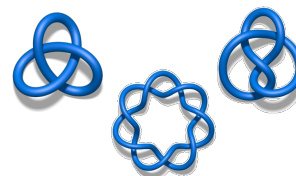

Ms. SAWAI

Plum Knots

Touching math and knots

- Experience the mathematics of Mizuhiki structure
- Let's learn how knots relate to math!
- Try out some quizzes to get SKCM² goods

Source : Wikipedia

Seeing the knot in VR

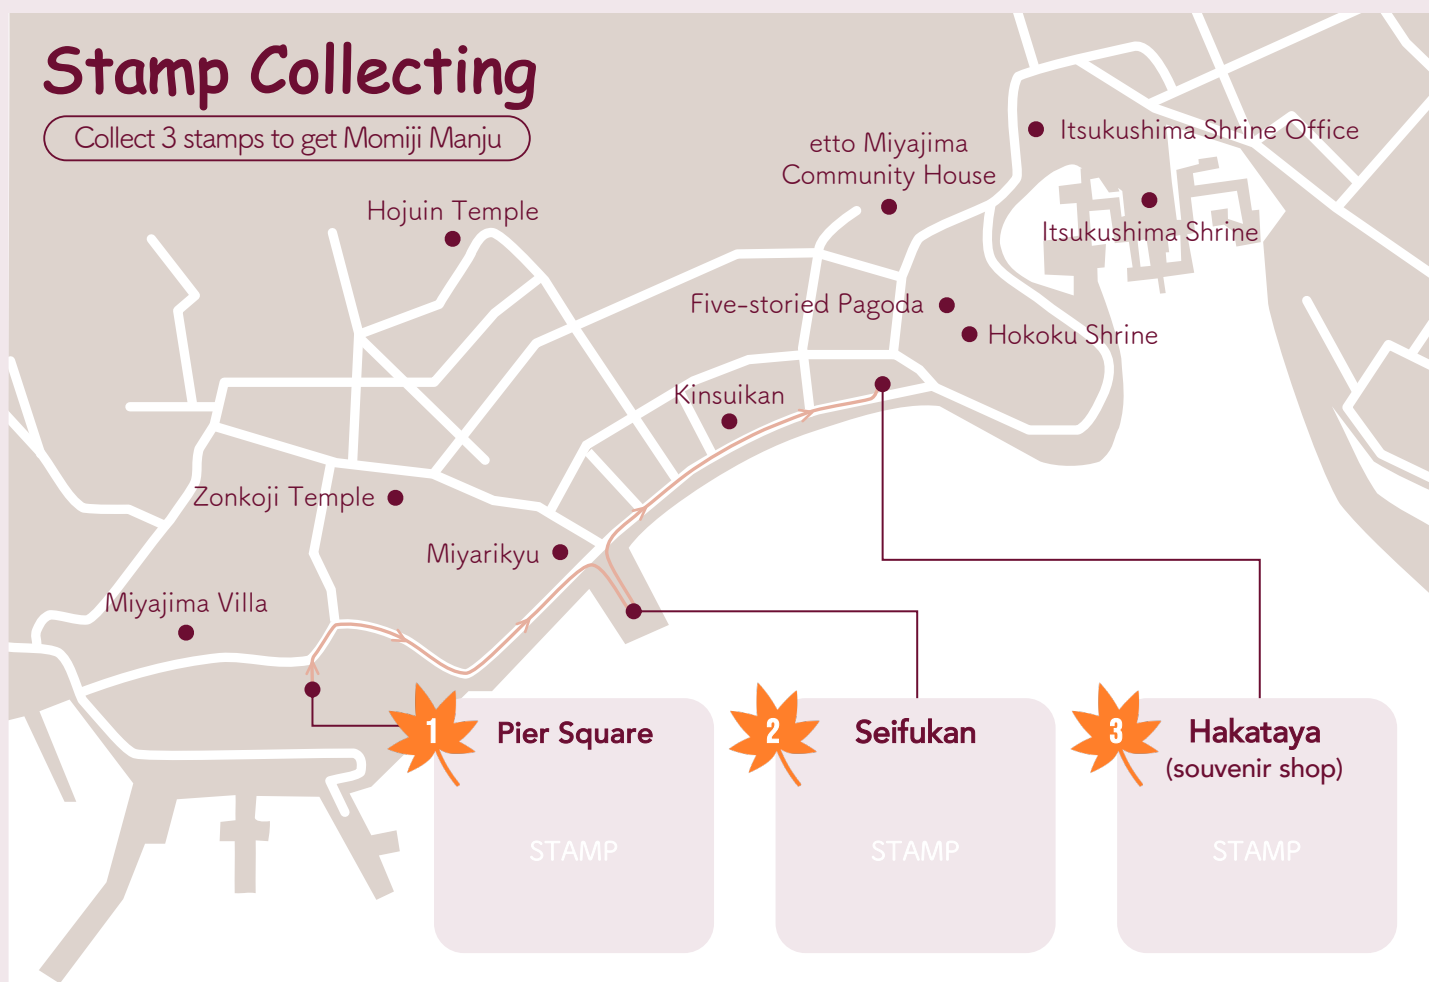

- Let's see trefoil knot in VR
- Let's see the world of vector fields in VR
- It will only take 5 minutes

There are exhibits on science!
