Students residence and private accommodation	Unfortunately, the University of Münster has no means of accommodation on its own, which is why the housing situation is always very tight. Therefore, please make sure that your students start looking and apply for housing ASAP! Shared flats and private accommodation are quite common for students in Münster. Exchange students have to organize it on their own, but our Exchange Student Service offers supporting help to do so. After their nomination, information on housing will be sent to our exchange students. For more detailed information on housing and where to find accommodation, please have a look at the university's homepage (https://www.uni-muenster.de/studieninteressierte/en/austausch/wohnen.html) or at the "Housing Information" sheet we sent you.
