<b>General information about the university</b>	<a href="https://liu.se/en/education/exchange-studies">https://liu.se/en/education/exchange-studies</a>
<b>University features</b>	
<b>Short description of the city</b>	<p><b>Linköping</b>, is one of Sweden's oldest cities with a long cultural tradition. Over the past 50 years, Linköping has grown to become Sweden's fifth-largest municipality, with 160,000 inhabitants. It is home to industries specialising in many different sectors, ranging from aircraft manufacturing to emerging technologies. Several international companies such as Saab, Ericsson, IFS, Autoliv, Sectra and Cloetta have offices in Linköping.</p> <p>Despite its rapid growth, Linköping still has the charm of a small town. The city centre is easy to reach from Campus Valla, about a ten-minute bike ride, and the University Hospital Campus is located centrally. The inner city offers plenty of entertainment opportunities: theatre plays, museums, concerts and student skits locally called "spex". Cafés, bars, restaurants and nightclubs located downtown will cater to all tastes.</p>
