Higashihiroshima City's Initiatives Toward Community Coexistence

10:30-12:00 on Wednesday, January 17, 2024
Venue: IAS K210

Mr. Masaho Morichika

Higashihiroshima City Community Coexistence Promotion Division

Guest lecturer will explain (1) the challenges facing community as families become more diverse and (2) the city's initiatives to build CHIIKI NO TSUNAGARI (local connections and support groups). Then, we will discuss what each of us living in the community can do toward the realization of CHIIKI KYOUSEI SHAKAI (community coexistence society).

※ This year's lecture focuses on loneliness and isolation in the community.

Language: Primarily in English
(Lecture in Japanese with English interpretation)
