## 3. Applicant Assessment

### (1) Evaluating Examinations

- Applicants falling under the General Selection and Special Selection for Working Citizens will be assessed comprehensively based on the results of an entrance examination (Written and Oral examinations) by (2) Evaluation Criteria .
- Applicants falling under the Special Selection for Senior Citizens category will be evaluated by the results of an entrance examination (Oral Examination).

### (2) Evaluation Criteria

#### i) Written Examination (Specialized Subject)

As a general rule, the pass/fail borderline score is 60% of the total score. Mark allocation for each subject is as follows:

International Peace and Co-existence Program, International Education Development Program		
Categories Subjects	General Selection	Special Selection for Working Citizens
Specialized Subject	200	100
Total	200	100

\* International Economic Development Program

The research proposal, as a part of the application form, submitted to the admission office will be evaluated as a substitute for the Written Examination.

Mark allocation: 100 (General Selection, Special Selection for Working Citizens)

ii) Oral Examination

Oral examinees are graded according to the following table and the grade of C is considered “fail”. The Oral Examination includes the evaluation of the application documents.

A	Excellent (Most Appropriate for Enrollment)
B	Good (Appropriate for Enrollment)
C	Poor (Inappropriate for Enrollment)

iii) General Judgement

Those who have passed both the Written Examination (Except those applying for Special Selection for Senior Citizens) and Oral Examination will be successful applicants.

4. Announcement of Admission:

12:00 p.m. on February 26, 2024(tentative schedule).

The acceptance certificate and the admission guide will be sent to the successful applicants by mail.

An announcement will also be made on the website of the Graduate School (<https://www.hiroshima-u.ac.jp/en/gshs>).

Please note, however, that the announcement on the website is made as part of information provision and does not grant admission officially in any way. Only mailing of the acceptance certificate should be regarded as an official announcement of admission. Please also note that we will not announce the results through posting on the bulletin board on campus.

(Telephone/E-mail inquiries will not be answered)

## VI. Enrollment Procedure

### 1. Period

The period will be in the beginning of March. More details will be informed in the end of February.

### 2. Fees

Enrollment Fee: ¥282,000

Tuition Fee: ¥535,800 (for one year)

(1) The above amount is as of April 2023. In case of the revision of the amount at the time of enrollment or during the period of enrollment, the most recent tuition fees will always apply.

(2) Enrollment fee must be paid at the time of enrollment and tuition fee must be paid after the enrollment. Exact amount, detailed payment methods, and information on enrollment/tuition fee exemption or deferment application will be announced later.

(3) Enrollment fee, once paid, will not be reimbursed under any circumstances.

### 3. Notes

(1) Any forgery or falsification of the documents and/ or academic fraud would result in cancellation of acceptance even after passing examination and/ or completing enrollment procedure.

(2) For applicants accepted on the condition of graduation from currently enrolled university, admission will be cancelled if s/he cannot graduate by the time of enrollment.

**VII. An explanation of the “special exception” educational path presented in Article 14 of the Graduate School Establishment Criteria**

The purpose of Article 14 of the Graduate School Establishment Criteria is to supply more convenient study plans for incoming Working Student. Measures for the special exception prescribed by Article 14 are as follows:

Courses will be held on weekday evenings (from 6:40-8:10 p.m.), as well as in the middle of long vacation periods, such as the summer recess, on a short-term basis (intensive courses).

**VIII. Extended Study Program**

Students who have a job or meet the criteria of the program or adult recurrent students who enter the University under the “Phoenix System” can benefit from this program. It enables them to complete their curriculum in a period exceeding the standard duration of studies, in accordance with the prearranged schedule.

Tuition fees for students in this program must be paid in installments by dividing the total tuition fee amount for the standard period of their curriculum by the approved number of years of study. The maximum period is 4 years for Master’s Course and 6 years for Doctoral Course.

Students wishing to enter this program are required to contact Graduate School of Humanities and Social Sciences (Support Office for the fields of International Development and Cooperation) without fail before their tuition fee payment.

## Global Environmental Leaders Special Education Program

### BACKGROUND

In recent years, broader knowledge and analytical skills to cope with global environmental issues such as climate change, biodiversity losses, desertification, pollution in developing countries, and so on that threaten the existence of humans have become necessary fundamental expertise for any areas related to global sustainability and international cooperation. In order to offer an additional educational opportunity for having such expertise, The Graduate School of Humanities and Social Sciences(International Peace and Co-existence Program, International Economic Development Program, International Education Development Program) ,the Graduate School of Advanced Science and Engineering(Transdisciplinary Science and Engineering Program) and Graduate School of Innovation and Practice for Smart Society of Hiroshima University (hereinafter "HU") have been implementing the Global Environmental Leaders Special Education Program (GELs Program).

### OBJECTIVES

The GELs Program is to nurture global environmental leaders who are capable of identifying problems and formulating strategic solutions at the national and local level through interdisciplinary and international perspectives.

### ADVANTAGES

- ✓ GELs students can obtain necessary knowledge and skills to create a sustainable society based on students' individual specializations as well as interdisciplinary knowledge from experts in various fields.
- ✓ GELs students can acquire communication skills by studying with peers with diverse backgrounds and areas of experience.
- ✓ GELs program offers various educational opportunities. (ex. special seminar, internship, and fieldwork)
- ✓ Certificate of completion is conferred upon satisfying the requirements of the program.

### HOW TO REGISTER THE PROGRAM

Any HU students, regardless of nationality, are welcome to register. Students who wish to participate in GELs program are required to submit the registration form by the designated deadline in April and October.
