# 1.1 Notes on Operation

# System Requirements and Operation Confirmation Terminals

Classification	System requirements and supported terminals		
PC	User	Chrome FireFox Safari	
Smartphone, etc.	User	iPhone: Safari Android: Chrome	

<sup>\*</sup>The operation confirmation terminals have been determined as a result of checking and do not guarantee proper operation.

# **Inquiry about the System**

◆NTT West Call Center for Certificate Issuance Service (Only available in Japanese)

Phone	06-6809-4327
Reception hours	24 hours

<sup>\*</sup>The images may not be properly displayed depending on the model or browser.

<sup>\*</sup>The operation was confirmed with the latest version as of the date when it was performed.

<sup>\*</sup>The service may be available from a terminal that does not meet the system requirements described in the terms of use or other than the operation confirmation terminals, but NTT West does not guarantee proper operation with such a terminal. Some of the screens may not be displayed or work correctly.

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

# 2.1 How to Apply to Use the Service (First Time Only)

Screen Images

Steps

How to Operate

Q

Access the home page for the certificate issuance service found on the home page of the university and click "Go to Graduates' Login page."

When using this service for the first time, you need to apply to use it. Click "New Registration Procedure(新規登録手続き)" from "New Registration(新規登録)."

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

# Screen Images

Steps

### How to Operate

3

Enter an email address you wish to register into the "Email address(メールアドレス)" and "Confirmation(確認)" fields.

4

Read the "Notes (注意事項)" and click the "Confirm (確認)" button.

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

### Screen Images

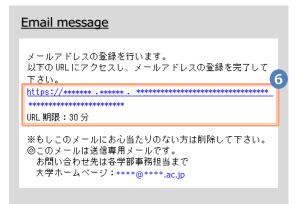

### Steps

### How to Operate

A message is displayed on the screen, and a confirmation notification is sent to the registered email address.

Click the one-time URL in the email body text and register the applicant information.

\*The URL has an expiration time, so please complete the operation within the displayed time limit.

Read the Terms of Use displayed on the screen and select "Agree to the above. (上記内容に同意する)"

8

Click the "Agree (同意する)" button.

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

### How to Operate

9

Enter the information on the applicant.

- \*The input items vary depending on the operating environment.
- \*The items in red are required.
- ➤ Application type (申請種別)

Select "New" for new registration.

► Applicant's name (申請者氏名)

Enter the name of the applicant in kanji, katakana, and roman characters.

\*Place a space between the family name and first name.

► Birth date (生年月日)

Enter the birth date of the applicant.

\*In the western calendar year.

Enter the information on the applicant when in school.

- \*The input items vary depending on the operating environment.
- \*The items in red are required.
- ► Name when in school (在学時氏名)

Enter the name used when in school in kanji, katakana, and roman characters.

- \*Place a space between the family name and first name.
- ▶ University/Department/Subject (大学名/学部名/学科名)

Select the university, department, and subject.

➤ Student ID number (学籍番号)

Enter the student ID number.

Graduation (completion) year and month (卒業(修了)年月日)

Enter the graduation (completion) year and month.

- \*In the Western calendar year.
- ► Graduate/Withdrawal/Removal (卒業/退学/除籍)

Select the applicable type.

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

# Screen Images

電話番号

### Steps How to Operate

Enter the current address and contact information.

- \*The input items vary depending on the operating environment.
- ► Zip code (郵便番号)

Enter the zip code of the current address.

▶ Prefecture/city/street and number/ Apartment name and room No. (都道府県/市町村/町名番地/アパート・ マンション号室)

Enter the current address.

► Phone number (電話番号)

Enter the home phone number.

► Mobile phone number (携帯番号)

Enter the mobile phone number.

12

Enter the work information.

- \*The input items vary depending on the operating environment.
- ► Workplace name (勤務先名)

Enter the workplace name.

► Zip code (郵便番号)

Enter the zip code of the workplace.

Prefecture/city/street and number/ Apartment name and room No. (都道府県/市町村/町名番地/アパート・ マンション号室)

Enter the work address.

► Phone number (電話番号)
Enter the work phone number.

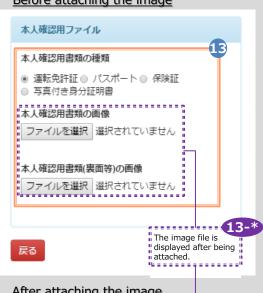

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions

### Steps

### How to Operate

Screen Images

After attaching the image

The copy of an identification document is required. Attach the file for identifying the applicant.

► Type of identification document (本人確認用書類の種類)

Select the type of an attached document for identifying the applicant.

► Image of an identification document (本人確認用書類の種類)

Click the "Select File (ファイルを選択) " button and then shoot the document with a camera or select an existing image. If the information is also on the back side of the document, such as changed address put on the driver's license, add the image of the back side.

Note that the operating method differs depending on the terminal to use. Follow the on-screen instructions.

Note that an image file having the "jpg," "gif," or "png" extension can be registered.

13-\*

When a file is selected, the image of the document is displayed for the "Image of the identification document (本人確認用書類の種類)

Check if the name, address, and birth date are readable.

Click the "Confirm(確認)" button.

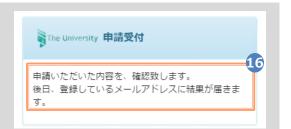

\*Be sure to fill in the required items. If any of these items are left unfilled, it may take time for approval.

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

# Screen Images Steps

15

Check the entered information for registration and click the "Apply(申請)" button.

16

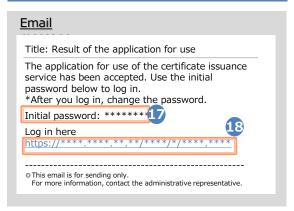

Check that the Application Accepted screen is displayed.

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

### Screen Images

### Steps

### How to Operate

After the university checks the application details, the result of the application for use is sent to the registered email address. Find the initial password in the email.

\*For the checking period, see the home page of the university.

\*The image on the left will be displayed when the application is approved. The application may be rejected or subject to resubmission.

18

Click the URL for "Log in here" in the email body text to access the login screen.

For the "Email address(メールアドレス)" field, enter the registered email address, and for the "Password(パスワード)" field, enter the initial password shown in the email announcing the application result.

\*Leave the "Second password(第2パスワード)" field empty.

Read the "Notes(注意事項)" and click the "Login(ログイン)" button.

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

# Screen Images

### How to Operate

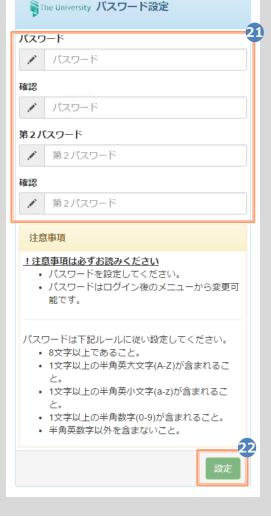

Steps

The Password Setting screen opens, where you can change the initial password and set the second password.
Fill in the "Password (パスワード)" and "Second password" (第2パスロード)" fields

Fill in the "Password (ハスワード)" and "Second password (第2パスワード)" fields and the confirmation field for each with a password and second password, respectively, (other than the initial password) of at least eight single-byte characters, including both upper- and lowercase characters.

\*The password and the second password must be different.

22

Read the "Notes(注意事項)" and click the "Change(設定)" button.

Click the "OK" button.

The Certificate Issuance Service has now become available.

- \*A graduate who has multiple student ID numbers of, for example, undergraduate and graduate, can add the student ID number by referring to the following:
  - ► 2.3 "How to Add a Student ID number"

# 2.2 How to Log In

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

### Screen Images

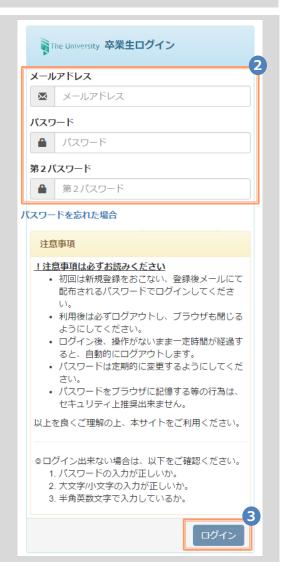

Steps

### How to Operate

Access the home page for the certificate issuance service found in the home page of the university and click the Graduates' Login page.

Enter the registered email address (メールアドレス), password (パスワード), and second password (第2パスワード).

\*For login for the first time, you need to apply to use this service. For how to apply for it, see the following:

► 2.1 "How to Apply to Use the Service"

\*A graduate who has multiple student ID numbers of, for example, undergraduate and graduate, should see the following:

➤ 2.3 "How to Add a Student ID number"

Read the "Notes(注意事項)" and click the "Login(ログイン)" button.

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

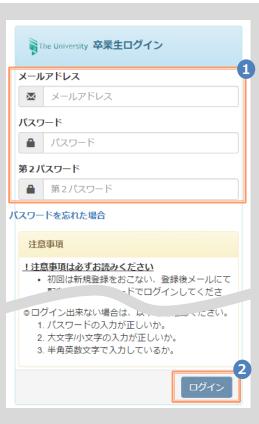

# 2.3 How to Add a Student ID Number

\*Applicable for those who have multiple student ID numbers

# Screen Images

### How to Operate

Perform registration for either undergraduate or graduate by following the instruction in 2.1 "How to Apply to Use the Service" in this manual. Enter the registered email address and password.

Read the "Notes (注意事項)" and click the "Login (ログイン)" button.

Click the menu button " \* " in the upper right of the screen, and then click "Register additional student ID number. (学籍番号追加登録)"

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

## Screen Images

Steps

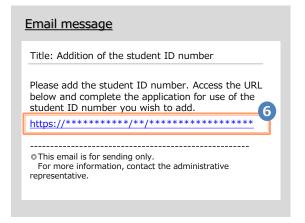

### How to Operate

Read the "Notes (注意事項)" and click the "Send (送信)" button.

When the Application Completed screen is displayed, click the "OK" button.

An email, including a one-time URL, is sent to the registered email address. When you receive the email, click the one-time URL.

\*The URL has an expiration time, so please complete the operation within the displayed time limit.

\*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.
