Admission Policy

Admission Policy of Master's Course

The Master's Course of the Graduate School of Humanities and Social Sciences is seeking students who have a strong motivation and passion to pursue the following objectives and who have the fundamental academic abilities required to achieve them.

1. A person who is motivated to acquire, in addition to a wide range of general knowledge, a high level of knowledge and research skills in the humanities, social sciences, educational sciences and other related fields, and who eventually aims to contribute to creating a "peace science that can lead to sustainable development" from diversified perspectives
2. A person who is motivated to acquire, in addition to a wide range of general knowledge, a high level of knowledge and research skills in the humanities, social sciences, educational sciences and other related fields, and who has a willingness to address challenges currently, or potentially in the future, confronting human society in order to contribute to building a global society of diversity, freedom and peace

In order to admit such individuals, the Graduate School of Humanities and Social Sciences selects applicants through a multifaceted and comprehensive evaluation process based on its own Diploma Policy and Curriculum Policy, using interviews, academic tests, and external examinations.

Admission Policy of Doctoral Course

The Doctoral Course of the Graduate School of Humanities and Social Sciences is seeking students who have a strong motivation and passion to pursue the following objectives and who have the fundamental academic abilities required to achieve them.
