## **Registration & Payment Manual**

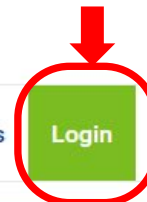

Hypothesis 2024 Executive Committee  
in Hiroshima University

# HYPOTHESIS XIX Hiroshima 2024

HYdrogen POWER THEoretical & Engineering Solutions International Symposium

First click on login

The HYPOTHESIS series aims to provide a forum where representatives from industry, public laboratories, universities, and governmental agencies can meet, discuss, and present the most recent advances in hydrogen technology. The conference will address all aspects, theoretical, experimental, and prototype developments, of hydrogen as an energy carrier.

If you want to ensure you don't miss any updates regarding this conference, please register from the [Contacts page](#).
