

Acaric Lounge

December 16, 2024
Fellowship Information Session

HIROSHIMA UNIVERSITY

What is Acaric Lounge?

- It is a “community lounge” established in collaboration between Hiroshima University and Acaric Co., Ltd.
- Offers comprehensive career support, including job counseling, internship and job introductions, and industry seminars.
- Register on Acaric, a scout-based job site, to enjoy free coffee, tea, snacks, and more.

Even without a specific purpose, you can use it as a lounge with coffee, Wi-Fi, and power outlets.

Aim of Acaric Lounge

- In Japan, the number of doctoral degree holders and doctoral program entrants have decreased.
- Doctoral graduates face concerns about employment and future economic prospects.
- Job information for doctoral students is hard to access, making careers unclear and enrollment hesitant.

Acaric Lounge aims, through collaborating with Acaric Co., Ltd, which specializes in career support for graduate students, to provide career support such as expanding career paths and matching with companies, ensuring that students can make choices aligned with their own aspirations, whether in employment or further studies.

Location and Hours of Operation

All students of Hiroshima University are welcome! (Not just graduate students, but undergraduates too!)

Location: Higashi-Hiroshima Campus, East Welfare Center, 1F

Hours: Weekdays 10:15 AM – 7:00 PM

Closed: Weekends and public holidays (Open during events)

Career Counseling

- In addition to the Acaric Lounge, career consultations are also available at the Global Career Design Center.
- You can get advice on job hunting, career choices, essay reviews, interviews, studying abroad, public vs. private sector jobs, and deciding between further studies or employment.
- Consultations are available both online and in person.
- For details on how to book a consultation, please visit the website.
