

Guidance on Liberal Arts Education

—What Is Necessary before You Take a Class?

Purposes of Guidance on Liberal Arts Education

Start of classes: April 8th (Tue.)

〈What you should do before taking a class〉

- ◎ Know what you need to do to graduate
- ◎ Create your own class timetable
- ◎ Register for courses that you wish to take

〈What you should learn through this guidance〉

- (1) Path to graduation
- (2) How to create a class timetable
- (3) Course registration

I. Path to Graduation

—What you need to do to graduate

Graduation Requirements

- Shows course (credit) requirements for graduation
- Inserted in the Student Handbook
- ◎ **No. of credits required for graduation: 1 2 8 credits**
(Liberal arts education 4 2 + Specialized education 8 6)

◎ What is a credit?

= a point given to students when they are judged to have passed a course based on their exam and report/ essay results, their participation, and attitude in classes after attending the classes throughout one semester or term

School Year	1st Year				
Academic Term	1st (Spring) Semester		2nd (Fall) Semester		
Term	1st Term	2nd Term	3rd Term	4th Term	...
Semester	1st Semester		2nd Semester		

Term course : Two classes per week during a term
Semester course : One class per week during a semester

Liberal Arts Education and Specialized Education (1)

◎ No. of credits required for graduation: 1 2 8 credits
(Liberal arts education 4 2 + Specialized education 8 6)

Develop a broad perspective and gain a multifaceted viewpoint by being exposed to knowledge in a wide range of fields.

Acquire the professional expertise required in relevant fields as a specialist.

Liberal Arts Education and Specialized Education (2)

Students mainly study liberal arts education in their first year at the university.

I want to study specialized courses as early as possible!!

Why should you study liberal arts education? (1)

Aim of liberal arts education

(Conceptual illustration)

Why should you study liberal arts education? (2)

Aim of liberal arts education

(Conceptual illustration)

Course Types in Liberal Arts Education (1)

Peace Science Courses

- Required subject (= a subject that students must take) : 2 credits
- Think about peace from diverse perspectives based on the spirit of the pursuit of peace, one of Hiroshima University's five guiding principles.
- Students are required to submit **a report on peace**.
= The credits are not given unless the report is submitted.

Be sure to confirm the details posted on “MOMIJI.”

* Start preparing for the report as early as possible

Course Types in Liberal Arts Education (2)

Basic Courses in University Education

◎ **Introduction to University Education**

Important information will be provided at the end of this guidance.

- Required subject: 2 credits
- Consider what learning at university means to clarify your goals at the university and acquire the basic skills and attitudes necessary to study at university.
- A lecture series is offered by renowned figures under the title of “Becoming a Global Citizen: Lecture by Special Instructor.”

◎ **Introductory Seminar for First-Year Students**

- Required subject: 2 credits
- Learn how to study at university through small-group classes and voluntary learning

◎ **Advanced Seminar**

- Develop skills to find and solve problems through discussions and hands-on learning in mixed-school and mixed-grade small class.

Course Types of Liberal Arts Education (3)

“Becoming a Global Citizen: Lecture by Special Instructor”

Distinguished figures from various fields will give you passionate messages on what you should learn at university, encouraging you to play an active role in the world as an educated cosmopolitan who long for peace and have an acute awareness of global issues.

Course Types of Liberal Arts Education (4)

As of 21 March, 2025

“Becoming a Global Citizen: Lecture by Special Instructor”

Dates and times to attend the lectures are designated by each school.

Lecturers for AY2025

- IKEGAYA Yuji (Professor, Graduate School of Pharmaceutical Sciences, The University of Tokyo)
- OCHI Mitsuo (President of Hiroshima University)
- KUSUNOKI Yuji (President and Representative Director, Rakuten Securities, Inc.)
- SATO Masaru (Author/Formal Chief Analyst, Ministry of Foreign Affairs)
- NAKAMARU Michie (Opera singer)
- NINOMIYA Seijun (Sports journalist)
- NOMURA Kenjiro (Baseball Commentator/Formal professional baseball manager of the Hiroshima Toyo Carp)
- HORIKAWA Keiko (Nonfiction Writer)
- ROBERTSON Morley (International Journalist)
- MOGI Kenichiro (Neuroscientist)
- MOTANI Kousuke (Chief senior economist, The Japan Research Institute, Limited)
- YANAGISAWA Masashi (Director, International Institute for Integrative Sleep Medicine, University of Tsukuba./Professor)

Course Types in Liberal Arts Education (5)

You are advised to determine your **independent theme** according to your interest and to take several courses related to the theme.

Common Subjects

◎ **Area Courses** **22** credits

- **Courses in Arts and Humanities/Social Sciences** **4** credits
+ **Courses in Natural Sciences** **4** credits + **Courses chosen freely from Area or Foundation Courses** **14** credits

Group of courses in the Area Courses	Categories
Courses in arts and humanities/social sciences	Philosophy / Ethics / Religion / Arts; Anthropology / Geography / History; Literature / Linguistics; Law / Political Sciences / Sociology / Economics / Education; Psychology
Courses in natural sciences	Mathematics / Informatics; Natural Environment / Civil Infrastructure; Physics / Astronomy / Applied Physics; Chemistry; Biology; Health Sciences / Medical Informatics

Course Types of Liberal Arts Education (5)

Common Subjects

◎ Foreign Languages

【Type 1: Students who are native Japanese speakers】

English courses 4 credits + Non-English Foreign Languages courses 4 credits

【Type 2: Students who are not native Japanese speakers 】

Japanese courses 8 credits

【Type 3: Students who are admitted to be fluent in both English and Japanese 】

Non-English Foreign Languages courses 8 credits

- Develop communication skills to receive and transmit information in different foreign languages in order to respond to the age of globalization.

Course Types of Liberal Arts Education (6)

◎ Information and Data Science Courses

- Required subject: 2 credits, Elective Required subject: 2 credits
- Acquire basic knowledge and skills necessary to use data more effectively in an advanced information society.

◎ Health and Sports Courses

Elective Required subject: 2 credits

- Understand scientific theories to promote health and physical strength, and develop the attitude and cooperative manners necessary to enjoy sports throughout lifetime.

◎ Social Cooperation Courses

- Understand diversity in society and develop the ability to live and play an active role in society by engaging in various practical activities.

◎ Foundation Courses

- Acquire the basic knowledge and skills essential in specialized studies.

II. How to Create a Class Timetable

—Create your own timetable

Model Timetable (Example)

First (Spring) semester (1st term, 2nd term)

Day of the week		Mon		Tue		Wed		Thu		Fri	
Hour		1st term	2nd term	1st term	2nd term	1st term	2nd term	1st term	2nd term	1st term	2nd term
Day class hours	1 • 2 8:45~10:15	Course code		62055601		10000101	30030015			62055601	
		Course name		Contemporary Issues of Japan I		Introduction to University Education	Exercise in Information Literacy			Contemporary Issues of Japan I	
		Instructor name		Ms. KAWAMOTO		Mr. HAYASHI	Mr. SUZUKI			Ms. KAWAMOTO	
		Classroom		WL 3F Group Work Rm		IAS K205	IMC-West Seminar Rm			WL 3F Group Work Rm	
	3 • 4 10:30~12:00	Course code		*****	*****					*****	*****
		Course name		Communication IA	Communication IB					Communication IA	Communication IB
		Instructor name		Mr./Ms. *****	Mr./Ms. *****					Mr./Ms. *****	Mr./Ms. *****
		Classroom		IAS K***	IAS K***					IAS K***	IAS K***
	5 • 6 12:50~14:20	Course code	*****	11031001							
		Course name	Introductory Seminar for First-Year Students	Global Issues Towards Peace B							
		Instructor name	Mr./Ms. *****	Mr. TATSUKAWA							
Evening class hours	7 • 8 14:35~16:05	Course code									
		Course name									
		Instructor name									
	9 • 10 16:20~17:50	Course code									
		Course name	Intensive German IA	Intensive German IB						Intensive German IA	Intensive German IB
		Instructor name	Mr./Ms. *****	Mr./Ms. *****						Mr./Ms. *****	Mr./Ms. *****
		Classroom	IAS K***	IAS K***						IAS K***	IAS K***
	Eve 1 • Eve 2 18:00~19:30	Course code									
		Course name									
		Instructor name									
	Eve 3 • Eve 4 19:40~21:10	Course code									
		Course name									
		Instructor name									
Other		Course code									
		Course name									
		Instructor name									
		Note									

For term courses taught twice (two classes) a week, write each class on each day.

For term courses taught in two consecutive class periods, fill two vertical class hours using an arrow mark

● Use the "Other" section to write intensive courses you (wish to) take and alternative courses you wish to take in case you are removed from a course as a result of the computerized random selection.

Basic Knowledge on How to Create a Class Timetable (1)

What to prepare

- Liberal Arts Education Class Timetable
- Student Handbook ... Graduation Requirements
(Course Registration List)

Types of course registration

- Required → Students must take the course.
- Required elective → Students must earn the prescribed number of credits from a list of courses designated by each school.
- Elective → Course requirements for graduation vary depending on the School or Department.

Basic Knowledge on How to Create a Class Timetable (2)

Required and Required Elective Subjects

- As for some required subjects and required elective subjects, you are required to take relevant subjects at the specific class periods on the specific day of the week that have been designated in advance. Follow the instructions given by your school or department.

Syllabus

- Information on individual courses (aims/content) and grading criteria are provided.
- Available on “My MOMIJI”

Language of instruction

- Language used in classes is included in syllabi.
(J: Japanese, E: English, B: Japanese and English, O: Other Languages)
- * Subjects offered in “J” and “B” may be difficult to complete for students without sufficient Japanese proficiency. For the details, be sure to confirm with the instructors in charge of those subjects beforehand.

Basic Knowledge on How to Create a Class Timetable (3)

Course name is shown differently depending on the instruction language in Liberal Arts Education.

- Language of Instruction (J:Japanese, B:Japanese and English or O:Other)

→ The course name is shown in Japanese, or in both Japanese and English.

ex.) 「大学教育入門」、「大学教育入門(Introduction to University Education)」 etc.

- Language of Instruction (E:English)

→ The course name is shown in English.

ex.) 「Introduction to University Education」 etc.

Important Notes for Course Registration (1)

- Confirm courses that you need to take on with the Graduation Requirements (Course Registration List). → Be clear on your registration priority.
- Check terms and conditions for course registration.
- Check the term in which the course of your choice is offered.

Course	Materials to check	Points to note
① Introductory Seminar for First-Year Students	Class Timetable provided by IGS	On MY MOMIJI, you can check the courses that you should take and that, in advance, you have been registered in.
② Introduction to University Education	My MOMIJI	On My MOMIJI, you can check the courses that you should take and that, in advance, you have been registered in.
③ Foreign Languages (English)	My MOMIJI	Students are divided into classes based on the “Language Questionnaire for Incoming Students” you answered at the time of carrying out admission procedures. On My MOMIJI, you can check the courses that you should take and that, in advance, you have been registered in. <ul style="list-style-type: none"> • The non-English Foreign Language that you wish to study cannot be changed. • As for intensive language courses, you can add or cancel those, in some cases. Please check MOMIJI Top
④ Foreign Languages (Non-English)	My MOMIJI	
⑤ Foreign Languages (Japanese)	My MOMIJI/ Class Timetable provide by Morito	You have received an email about your result of the placement test from Morito office. If your level is Level 1-4, you have been registered in designated courses. If your level is level 5, you need to select and register courses according to the instructions by Morito Institute of Global Higher Education.

Important Notes for Course Registration (2)

Course	Required materials	Points to note
⑤ Area Courses	Class Timetable provided by IGS	Area Courses(4 credits) in Arts and Humanities Area Courses(4 credits) in Natural Sciences
⑥ Peace Science Courses	Class Timetable provided by IGS	Take the course offered in English. (Confirm the details on the Syllabus.)
⑦ Information and Data Science Courses	Class Timetable provided by IGS	On MY MOMIJI, you can check the course that you should take and that, in advance, you have been registered in. As for the 2 nd course, you need to select and register by yourself.
⑧ Area Courses/Foundation Courses <u>designated as elective courses</u>	Class Timetable provided by IGS	14 credits chosen freely from Area and Foundation Courses. You can also include a credit of Advanced Seminar.

Important Notes for Course Registration (3)

Course	Required materials	Points to note
⑩ Health and Sports Courses	Syllabus	Lecture-based subjects (Health and Sports Sciences), practical training-based subjects (Practicum in Sports), and subjects that combined lecture and practical training (Sports Theory and Exercise) are offered. (Confirm the first meeting place on Liberal Arts Education page of My MOMIJI.)
⑪ Social Cooperation Courses	Syllabus	Confirm the Course Registration List of your School and take courses according to your needs and interests.
⑫ Specialized Subjects	Syllabus	If there are specialized subjects <u>designated on the Course Registration List</u> , confirm the day of the week and class period in which they are offered, and register for them.

Upper Limit of the Number of Credits for Registered Courses

- ◎ The maximum number of credits that can be registered for in a semester is pre-determined.

(2 6 credits per semester)

- ◎ Academic performance evaluation

[S: Excellent]	90 points or more	} Pass (credits awarded)
[A: Superior]	80–89 points	
[B: Good]	70–79 points	
[C: Fair]	60–69 points	
[D: Poor]	Less than 60 points → Failure (No credit awarded)	

→ Impacts the calculation of GPA (Grade Point Average).

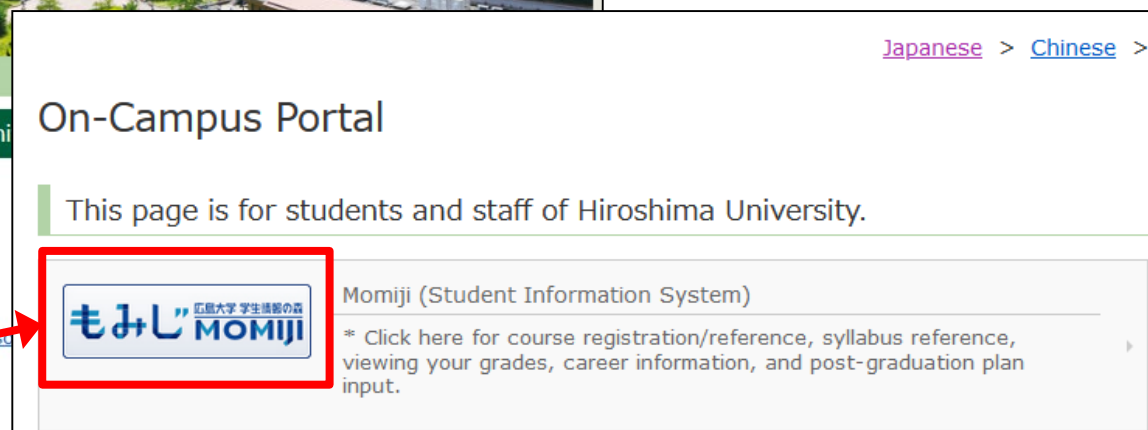

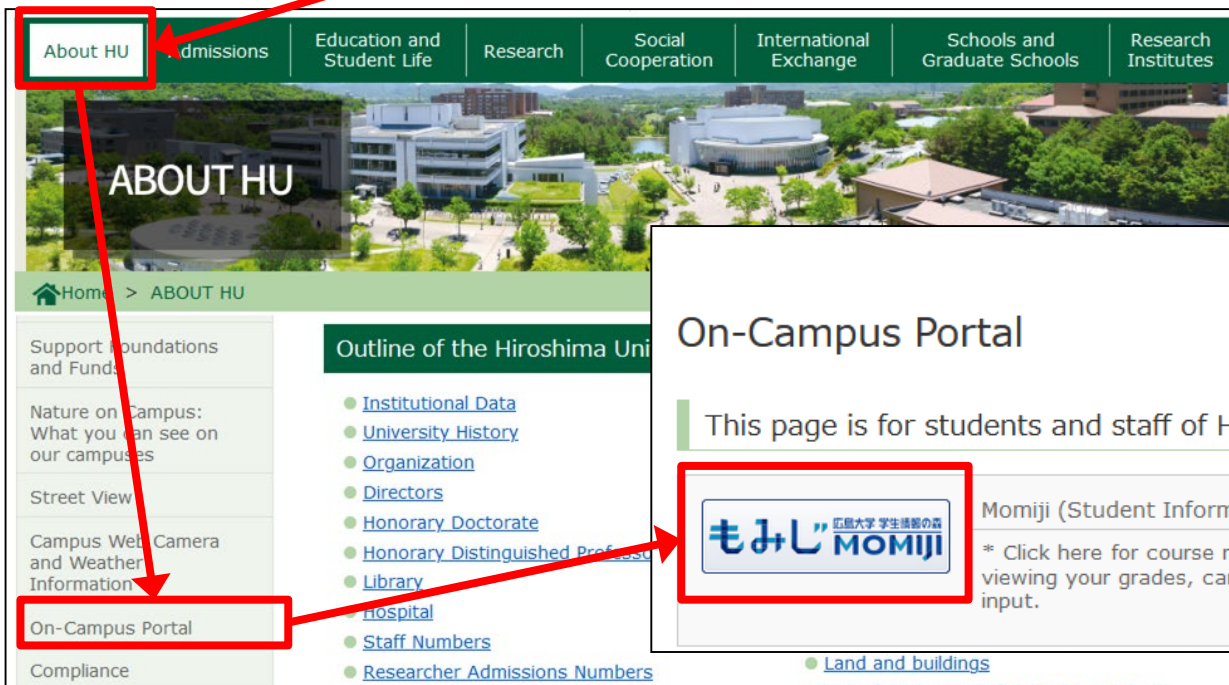

III. How to Register for Courses

Notes on Course Registration

April

4	5	6	7	8	9	10	11	12	13	14	13
Fri.	Sat.	Sun.	Mon.	Tue.	Wed.	Thu.	Fri.	Sat.	Sun.	Mon.	Tue.
Course Registration Period					Adjustment Period		Confirmation and Revision Period			Registration finalized	
4 th Fri, 0:00 am. – 8 th Tue., 23:59 pm. Class Begins on Apr. 8 th , Tue.					9 th Wed., 0:00 am. – 10 th Thu., 23:59 pm. *Course registration suspended		11 th Fri., 0:00 am. – 14 th Mon., 23:59 pm.				

◎ Course registration period

Once your registration has been finalized, you cannot make any new registration and cannot delete or change your finalized registration.

Register for courses (including intensive ones) that you wish to take in the 1st and 2nd terms.

◎ Adjustment Period

You are not allowed to register for/ withdraw from courses in which a random selection occurred.

If the number of registered students for a course exceeds its upper limit, the number will be reduced by a computerized random selection (If you are removed from your desired courses as a result of the selection, your registration for the courses will be deleted).

◎ Confirmation and Revision Period

During this period, check your course registration and class schedule.

You can add other courses or delete your registration (except for courses where the random selection occurred).

2nd-term courses can also be registered/deleted between June 5 (Thu) and June 12 (Thu) (* This period might be changed later).

Advanced Seminar-notes on registration-

◎ Notes on registration

- Refer to MOMIJI Top>Academic Support>Liberal Arts Education HP about Advanced Seminar offered in this year
- The registration period for Advanced Seminar is different from other subjects.

For more details,
Check MOMIJI top
page !

Details of the Liberal Arts Courses Registration Procedures

If you have any questions about the procedures for taking Liberal Arts courses, check the “Notice List” page.

The screenshot shows the MOMIJI website interface. A red box highlights the 'Academic Support' menu item, with a red arrow pointing to it from a text box that says '① 「Academic Support」 → Click on “Liberal Arts Education.”'. Another red box highlights the 'Notice List' link in the 'Procedures in Liberal Arts Education' section, with a red arrow pointing to it from a text box that says '② Click on “Notice List.”'. A large grey arrow points from the 'Academic Support' menu to the 'Liberal Arts Education' page. On the left, a box titled '“Notice List.” QR code' contains a QR code.

① 「Academic Support」
→ Click on “Liberal Arts Education.”

② Click on “Notice List.”

IV. Taking a Class

—Manage classes by yourself.

Lesson Style (As of the beginning of AY2025)

- Face-to-face

The upper limit is equal to the capacity of the classroom or 250 at maximum

- Online (simultaneous interactive)

[tool]

Microsoft Teams (Main), Zoom etc. (decided by each instructor)

Cf. Startup Workshop for Your Laptop/必携PC初期実習

- Online (on-demand)

[tool]

Moodle

Cf. Startup Workshop for Your Laptop/必携PC初期実習

※Lesson style differs for each subject. Please confirm with the syllabus.

Class Schedule

◎ Academic Calendar...MOMIJI top page and in the Class Timetable brochure.

◎ Term dates (First (Spring) semester)

1st term: April 8 (Tue.) – June 5 (Thu.)

2nd term: June 6 (Fri.) – August 1 (Fri.)

Substitute class day

May 1 (Thu.) → Tuesday classes will be held.

May 7 (Wed.) → Monday classes will be held.

July 18 (Fri.) → Monday classes will be held.

If you missed a class

If you must miss a class due to illness or other unavoidable circumstances, please follow the procedures listed on the following page.

【Liberal Arts Education HP】

<https://momiji.hiroshima-u.ac.jp/momiji-top/en/learning/kyouyou/index.html>

◎ Momiji Top

→ Academic Support

→ Liberal Arts Education

Term-end Examination

Cheating is not Tolerated

- If you cheat on an exam, “F” grades (Failure) will be given to all Liberal Arts Education courses that you take in the semester when you committed the academic misconduct (Except for Introductory Seminar for First-Year Students).
- You are not allowed to bring class materials to your exam unless instructed otherwise by your teacher

◎ Period of Term-end Examination: [First (Spring) semester]

1st term: May 30 (Fri.) – June 5 (Thu.)

2nd term: July 28 (Mon.) – August 1 (Fri.)

◎ Application for Makeup Examination

- You are eligible to take a make-up exam if you cannot take your term-end exam due to illness or any other unavoidable reasons.
- An application should be submitted to the Student Support Office in your School within one week after the missed exam.
- A document certifying the reason for your absence on the exam date (a medical certificate, etc.) should also be submitted.

Announcement of Academic Grades

◎ Evaluation Methods...Exam, report, essays, etc.

◎ Announcement of academic grades

- Academic grades are announced at the end of each semester.
(1st and 2nd term → September; 3rd and 4th term → March)
- Confirm your academic grades on “My MOMIJI.”

◎ Grade Objection/ Grade Appeal

Submit a Grade Objection Form.

- * Objections based on insufficient evidence will not be accepted.

Introduction to University Education

This course is offered by your school.

〈Important notes〉

- ◎ Check the syllabus for the content of each class in advance.
- ◎ Have a laptop ready.
- ◎ For Chapter 1, 12, and 15, the classes will be held face-to-face at a lecture room.
For Chapters 2-11, 13, and 14, watch lecture videos on Moodle.
- ◎ The materials will be provided on Moodle. Download and check class materials before watching lecture videos or attending face-to-face classes. Please check the "Introduction to University Education(AY2024) -Class Schedule-" posted on Moodle.
- ◎ The materials for Chapter 1 have already been made available. Please check the materials and submit the pre-assignment before the first face-to-face class.

V. Others

—What you should know

Credit Approval

- ◎ Credits are awarded if you obtain a specific score or grade in a foreign language proficiency test.
- ◎ Credits earned at foreign universities can be recognized.
- ◎ Credits can be transferred from subjects taken at the Open University of Japan. (Handling of credits varies depending on the School.)
- ◎ Credits that have already been earned can be recognized (if you have earned credits at other universities).

For details, ask the Student Support Office of your School.

Credit Approval

Credits are awarded if you obtain a specific score or grade in a foreign language proficiency test-

Language		English	Non English foreign languages (German, French, Chinese, Korean and Spanish)	Japanese
Term				
Eligible grade/score		Scores obtained after admission	Within 2 years dating back from your application	
Applic ation period	Score or grade you got BEFORE Admission	Not applicable	By June 30th in the academic year of your admission	
	Score or grade you got AFTER admission	Each Course Registration Period		

- If you wish to receive the credit approval, complete the procedure at the support office of your school during each application period.
- Refer to the website below or student handbook about applicable foreign language proficiency tests.

MOMIJI Top> Academic Support> Liberal Arts Education> Credit Approval for foreign proficiency tests, etc.

TOEIC® L&R IP Test

The test is conducted on a university-wide basis.

Every student has two chances to take the test.

① The 1st school year: Online test

Refer to the website below for a detailed schedule.

MOMIJI Top> Academic Support> TOEIC(R) L&R IP Information

② The third school year and thereafter (The date of the test varies depending on the School.)

- Your English skills are measured at the time of enrollment and graduation.
- Under designated terms by HU, your TOEIC scores can be used for credit approval.

* Although you are required to take the test offered by the university twice during your time at the university, you may be able to take the test more than twice if you desire to do so. Since you can also apply for public TOEIC® L&R tests through Co-op, you are advised to actively take these tests.

数理・データサイエンス・AI教育

情報・データサイエンス・AIパッケージ

概要：高度情報化社会の中でデータおよびコンピュータを活用していくのに必要となる基礎的な知識や技能を得る。さらに、有用性と問題点、情報倫理上の課題を検討した上でデータサイエンスと情報科学の知見を活用する能力を身につけ、将来、新しく現れる技術にも対応していく態度を育てる。

⇒教養教育科目で構成

- ◎全学部・学科等の学生が、教養教育科目の「情報・データサイエンス科目」を履修することで、必要な知識・スキルを修得できるようにカリキュラムが構成されています。
(登録手続きは不要)

文部科学省「数理・データサイエンス・AI教育プログラム認定制度（リテラシーレベル）プラス」の認定（令和6年8月27日付け）
(有効期限：令和8年3月31日)

AI・データサイエンス応用基礎特定プログラム

概要：ICT（情報通信技術）の発展に伴いIoTやAIが様々な場面で活用されてきている。これらの技術を活用し、社会に出て直面するであろう様々な課題を解決するために必要とされる、AI・データサイエンスの基礎知識と実践力を身につけることを目的とする。これらの知識・応用力は理系・文系を問わず必要とされるものであり、文系の学生にも理解できるような内容としている。

⇒AI・データイノベーション教育研究センターの提供科目が中心

- ◎リテラシーレベルの学修を基礎として、さらにAI・データサイエンスの知識を深め、自身の専門分野へ活用するためのカリキュラムを特定プログラムとして準備しています。
