

Hiroshima University (HU) herewith makes an open international job offer and seeks to appoint Professor in the research area of Bio-related chemistry.

This position is based on the 'Policy for recruiting/cultivating excellent faculty members'. The university introduced this policy to create a secure environment in which junior-positioned faculty members can concentrate on their research/education.

We are looking forward to welcoming those who are prepared to go along with the principles, long-term vision and medium-term target of HU (<https://www.hiroshima-u.ac.jp/en/about>), and who are motivated and can play key roles by committing themselves to research and education at HU.

Mitsuo Ochi, President of Hiroshima University

Please refer to the following URL for details about personnel system reform of Hiroshima University.

- (4) Duties related to student admissions (exam supervision, question creation, grading, interviewers, etc.).
- (5) Other duties as directed by the head of the educational and research organization.

(Scope of changes)

Tasks determined by the university

### 6. Field of specialization

Bio-related chemistry, Biopolymer chemistry

### 7. Teaching responsibilities

The following courses are scheduled to be taught.:

- (1) Undergraduate level (general education courses): Introductory Seminar for First-

Year Students (Japanese), Modern Chemistry (English), etc.

- (2) Undergraduate level (discipline specific courses): Biopolymer Chemistry (Japanese), Advanced Chemistry (Japanese), Special Study for Graduation (Japanese, English) etc.
- (3) Graduate level (master's programs): Introduction to Life Science, Bio-related Chemistry (Japanese, English), Research for Academic Degree Dissertation in Mathematical and Life Sciences (Japanese, English) etc.
- (4) Graduate level (doctoral programs): Research for Academic Degree Dissertation in Integrated Life Sciences (Japanese, English) .

Note: The subjects you are responsible for may be changed or added.

## 8. Qualifications

Applicants must satisfy all of the following requirements:

- (1) Hold a doctorate or an equivalent degree by the time the appointment begins
- (2) Be able to supervise doctoral students in preparation of doctoral dissertations
- (3) Have experience in supervising graduate students in a master's and/or doctoral program(s) in preparation of thesis/dissertation
- (4) Be able to teach classes and supervise students in English

## 9. Application materials required

- (1) Resume (Form 1)

If you have a history of being employed by Hiroshima University (as a TA, RA, researcher, etc.) in the past five years, be sure to state all positions you have held.

At least one of the Your Researcher ID or ORCID information is necessary.

N.B. The ID above or ORCID information can be confirmed from Clarivate Analytics or ORCID website.

- (2) List of Achievements (Form 2)
- (3) States of acquisition of external funds in the last ten years as a Representative (Form3). Indicate the amount of direct expenses and whether you represent or share the project's cost.
- (4) Outline of the past teaching and research activities (one page of A4) (Form4)
- (5) Research Plans after taking office (one page of A4) (Form5)
- (6) Aspirations for education after taking office (one page of A4) (Form6)
- (7) Performance Summary (Form7)
- (8) Five major publications or presentations (Reprints, photocopies, or books)

## 10. Application deadline

All application materials must reach us by 17:00 pm on Friday, September 12, 2025 (Japan time).

11. Please send all application documents to the following address

nakatas@hiroshima-u.ac.jp

Satoshi Nakata

Professor, Hiroshima University Graduate School of Integrated Sciences for Life

Please save the files in cloud system etc. Then, send an email indicating the link in the body of the document.

\* Please send an e-mail titled “Application documents for faculty open position in the Graduate School of Advanced Science and Engineering”.

\* If you do not receive a receipt mail in one week, please contact to Prof. Satoshi Nakata.

13. Selection procedure

- (1) Selection will be made based on all application documents submitted.
- (2) Interviews will be conducted as needed. As a general rule, we will conduct simulated lessons in English. In such cases, please note that travel expenses will be the responsibility of the applicant. Applicants who pass the initial document review will be informed of interview date, time and format.
- (3) Hiroshima University promotes a gender-equal society in accordance with the legislative intent of the Basic Law for a Gender-Equal Society.

14. Employment status

- (1) If you are agreeable to the application of the Discretionary Labor System for Professional Work, you are deemed to work for 7 hours and 45 minutes a day. If not, working hours are from 8:30 to 17:00 (from Monday to Friday) and break time is from 12:00 to 12:45.
- (2) Workdays are from Monday to Friday (excluding public holidays) in principle.
- (3) Holidays are Saturdays, Sundays and public holidays in principle.

15. Salary, etc.

- (1) The annual salary system (II) which was enforced in October 2021 will be applied to the successful candidates.
- (2) Successful candidates may be reimbursed for travel expenses incurred for the trip from their home or former place of work to the new place of work to assume their post in accordance with the relevant regulations of Hiroshima University. For more information, please contact us.

※Hiroshima University has introduced a system whereby researchers' personnel expenses are paid out of direct expenses such as competitive research grants and joint research grants, and the obtained research financial resources can be used to

improve the treatment of researchers themselves (additional Salary) and to improve the research environment.

#### 16. Evaluation

We conduct individual performance evaluations for all Hiroshima University faculty members after their employment, numerically rate their performance, and salary and benefits are commensurate with performance indicators.

#### 17. Employer

Hiroshima University

#### 18. Miscellaneous

- (1) Probationary employment period: six (6) months
- (2) Personal information obtained from application documents will not be used or provided to any third party for purposes other than the necessary procedures related to personnel affairs, salary, and welfare. Application documents of applicants whom we have decided not to employ will be disposed to those applicants in an appropriate manner, after the completion of relevant selection processes.
- (3) The retirement age is 65 years old.
- (4) All the faculty members of Hiroshima University belong to the "Academy", which is the single university-wide faculty organization, and each faculty as a member of the Academy of the University is appointed to educational and/or research organizations such as an individual undergraduate school, graduate school, research center and institute.
- (5) Faculty members may also be assigned to teaching and/or research activities in other organizations of Hiroshima University and university-wide projects.
- (6) For each specialized field of faculty, Hiroshima University has defined Minimum standards for hiring new faculty ("the minimum standards"). We use the minimum standards for the initial screening process of the applicants, and only those who have cleared the minimum standards will qualify as the candidates for the post concerned. The minimum standards used for this international job offer can be viewed by clicking the following URL link.  
<https://www.hiroshima-u.ac.jp/en/employment/kyoinkobo/>
- (7) HU provides other employment information (research job, desk job and etc.). If your spouse wishes to work for HU, please refer to the following URL link.  
employment information: <https://www.hiroshima-u.ac.jp/en/employment/>
- (8) Hiroshima University has been entirely smoke-free from January 2020.
