3. Admissions Policy

The IGS hopes to admit students with the following attributes, based on the diploma policy and curriculum policy for the Integrated Global Studies Program.

- (1) Students who would like to understand global issues with an integrative perspective to pursue world peace while respecting linguistic, cultural, and religious differences;
- (2) Students who have academic competence and interest in natural sciences and would like to work towards the harmonious relationship between human beings and nature; and
- (3) Students who are willing to improve language skills and make a contribution to global society.

The IGS expects that, before enrollment, prospective students have developed an interest in and learned about the following:

- The subjects learned in high school, namely, Language and Culture Studies, History and Geography, Ethics, Political and Economic Science, Mathematics, Science, Foreign Language, and Informatics;
- A wide range of academic areas across disciplinary boundaries such as the humanities and sciences, and various challenges confronting present-day society; and
- Problems and issues regarding the international community, the global environment, and cross-cultural understanding.

The IGS hopes to admit students who, after their enrollment, will be able to:

- Understand and analyze the various challenges confronting the international community from multifaceted perspectives transcending disciplinary boundaries between the humanities and sciences (integrated thinking);
- Understand others irrespective of the differences among countries/regions, cultures, religions and languages, and think about things from a global perspective encompassing human society and its surrounding natural environment (global vision); and
- Address various challenges of the international community from a peace-seeking viewpoint, and work toward the realization of world peace and harmony between people and nature, in a cooperative and creative manner (cooperative action).

5. Application Procedures

(1) Application Method

- ① Register an account with UCARO
- ② Enter your application data online
- ③ Upload your photo
- ④ **Pay the application fee**

In addition to the JPY 17,000 application fee, the following fees are also required:

- JPY 990 as a processing fee for ALL applicants
- JPY 300 as a disclosure fee (ONLY for applicants who request disclosure of their entrance examination results*)

- ⑤ **Send the application documents listed in [7. Application Documents] by post using the simplified registered and express mail (Kan'i Kakitome Sokutatsu).**

*For details of disclosure of entrance examination results, please refer to the page 22.

Note: Entering application data online and paying the application fee do not constitute the completion of online application procedures. You must separately send your application documents, etc. that require mailing by post using the simplified registered and express mail service - *Kan'i Kakitome Sokutatsu* (For those applying from outside Japan, by the fastest international mail method such as EMS: Express Mail Service). You must also ensure that the documents reach the University no later than the prescribed deadline. Please note that all times and dates indicated in this Guide are based on Japan Standard Time (JST).

(2) Data entry into the online application system

[1] UCARO

Hiroshima University uses the UCARO system, where procedures from application to admission are consolidated.

Making an application requires account registration with the UCARO (free of charge).

An UCARO account must be created for each user.

Please do not share one UCARO account with your siblings or others.

Please do not use the translation function on your device. It might cause errors on the UCARO.

At Hiroshima University, tasks performed in the UCARO system include checking the examinee's number, printing the examination card, checking the Instructions to Examinees, providing the results notification, processing part of the enrollment procedure, disclosing entrance examination results*, etc.

*You will continue to use the email address you have registered for your UCARO account throughout the process from making an application to checking your examination results. Be sure to make a note of your ID (email address) and the password created at the time of your UCARO account registration.

Please note that you may register an account with the UCARO prior to the application period.
If you already have an UCARO account, you will not need to register an account again.

Please check the webpages below for more details regarding the UCARO system;
UCARO system website (Japanese only): <https://www.ucaro.net/>
UCARO FAQ (Japanese only): <https://user-support.ucaro.net/hc/ja>

[2] Online application

Step 1

Access the online application system from the Hiroshima University Admission Information website
<https://www.hiroshima-u.ac.jp/en/nyugaku>

Step 2

Register an account with UCARO

- ▶ Select [New member registration] in the Hiroshima University Online Application system. After completing the registration, proceed to the application procedure.

* For those who have already registered their UCARO accounts, select [Login] to continue the application procedure.

*** Since important information from the University will be sent via UCARO, please check the UCARO website so as not to miss any notices.**

Step 3

Enter application data (Select the examination category, etc. for which your application is being made.)

- ▶ For those requesting disclosure of their entrance examination results (see “Disclosure of Entrance Examination Results (Personal Information)), a disclosure fee of JPY 300 per application will be added to their application fees. **No changes will be accepted after you have paid the application fee.**

Step 4

Enter personal information

- ▶ Enter your personal information accurately according to the instructions on the screen.
- ▶ If the Kanji characters used in the name registered on the online application differ from the Kanji characters (e.g., old or variant characters) used in the name on the application document such as school record, the Kanji characters registered on the online application will be used. However, if there may be a mistake or obvious difference, we will contact you for confirmation. If the registered name includes the Kanji character that does not correspond to the JIS (Japanese Industrial Standards) level 1 and 2 kanji sets, it will be replaced with an appropriate alternative Kanji.
- ▶ Any errors in your contact information, including email address and phone number, may prevent us from sending important information to you or calling you when necessary for your entrance examination. **Be sure to provide contact information (home, parent/guardian, etc.) for where you can be reached.**

Step 5

Confirm entries

- ▶ Confirm the data entered in **Step 3** and **Step 4**. If an erroneous entry or entry requiring correction is noted, please be sure to make the necessary modification.
- ▶ Many errors have been made every year in items such as **address (house number), name, date of birth, email address, and phone number**. Please double check the data to be entered to ensure the accuracy of your entries.
- ▶ **Any changes in items related to the examination category and the names of school, department, and examination subjects for which the application has been made will not be accepted after the application period has closed.**

Step 6

Upload a photo and check required documents

- ▶ Submission of the photo by post will not be accepted. It must be uploaded to the online application system.
- ▶ See **[7. Application Documents]** in this Guide and send the documents required for the application by post.

〈Photo instructions〉

- Must have been taken recently (within 3 months) prior to the application in color or black and white (A color photo is preferred.)
- Must be in JPEG file format, with 640 pixels high x 480 pixels wide as the preferred dimensions.
- **On the day of the entrance examination, we will check the photo you have uploaded at the time of the application against your face.**

- The uploaded photo, which will be used for your photo ID card for the examination, will also be used for your student ID card after enrollment and will be maintained in the University's educational affairs system for use until graduation.

Therefore, please upload an appropriate photo for use after enrollment as well.

Once uploaded, your photo will not be allowed to be replaced.

A fee of JPY 1,000 will be charged for changing the content of your student ID card (photo and your name) after enrollment.

- Using the Acceptable Photo Example for reference, upload a photo showing your upper body, facing forward (in focus) without wearing a hat or cap, and with nothing in the background.

* The size of your face photo data can be adjusted on the screen. Before registering, please adjust the size as needed to ensure that the photo shows your face clearly.

* In cases where your photo is deemed inappropriate as an application photo as shown by the Unacceptable Photo Examples, you may be required to submit a new photo.

For submission of your photo, refer to the Acceptable Photo Example below.

• Acceptable Photo Example

- There is blank space in the upper part of the photo.
- Subject is facing horizontally and squarely to the front.
- The face is occupying at least one half of the overall image area.
- Both eyes are visible.
- The photo shows part of the shoulders.
- There is nothing in the background (plain).
- The photo must be clear.

If you have difficulty meeting these acceptable photo specifications, please contact the IGS prior to application.

• Unacceptable Photo Examples

Hair, smartphone or other object is creating a shadow on the face.

Hair is falling across eyes.

Frame of glasses overlaps eyes.

Wearing a scarf or sunglasses

Entire head or facial contours do not fit into the photo.

Head occupies an extremely large proportion of the entire space of the photo.

Head occupies an extremely small proportion of the entire space of the photo.

Not facing squarely to the front

Objects appear in the background (curtains, windows, shadows, etc.)

The photo size does not fit the frame.

Step 7

Complete initial application process

- When the application registration is completed, an application number will be issued and displayed on the screen. As an application completion notification email will be automatically sent to your registered email address, please make a note of the number or print out the screen or email and keep it.

Application number						
-----------------------	--	--	--	--	--	--

*** You will need the application number when checking or changing your registered application details.**

* To check or change your registered application details, you should log in to the online application website, select the relevant application data from the “List of Applications” on the top page. And then, click [Check] (in case of “Paid”) or [Check/Change/Payment] (in case of “Not yet paid”) to display the application registration completion screen again.

* The following items/tasks can be confirmed/performed on the initial application process complete screen.

- Confirm the registered application details
- Check the number required for payment of the application fee (Only in case of “Not yet paid”)
- Check the payment status of the application fee
- Print a mailing label (Available only within Japan)

*** You may change your registered application details only before paying the application fee.**

Once the payment has been made, any changes in registered application details will not be allowed, except for those for personal information such as address.

* If you change your registered application details, the information required for payment will be canceled (the registered application details will not be canceled). In that case, please select a payment method again and re-obtain the information required for payment.

* You can print out a mailing label to be used when sending the application documents.

Click the [Print Mailing Label] button to print it out (In the case of using smartphone and tablet, the button may not be displayed, so you should use a PC).

* If you do not own a printer and cannot print the mailing label, please write the same information as the form on the envelope.

Step 8

Enter payment information

- Select the payment method for the application fee and the examination result disclosure fee (only for those requesting the disclosure) from among the following options.

For details, refer to (3) “Payment method for the application fee” in this Guide.

- Credit card (Available both within and outside Japan)
- Convenience store, Banking institution ATM [Pay-easy], and Internet banking (NOT available from outside Japan)

Please make sure to check a payment completion notification email that will be automatically sent to your registered email address after the payment. You can also check your payment status from the “List of Applications” on the top page by logging in to the online application website again.

Please note that your application will not be accepted in case that the application fee has not been paid even if your application documents arrive during the application period.

Print each form on a single page, and submit all the "Personal Statement 1", "Personal Statement 2", and "Personal Statement 3 (Additional Information)" forms.

For the Personal Statement 1 and 2 forms, please write essays on the following two topics in around 400 words, respectively.

Personal Statement 1

Topic 1: Explain what you want to study in the Department of Integrated Global Studies at Hiroshima University and why. (around 400 words)

Personal Statement 2

Topic 2: Which global issue do you consider to be important or urgent? Explain why, and how to address any relevant problem or problems. Express yourself in your own words, integrating scientific, technological and socio-cultural aspects. (around 400 words)

Personal Statement 3 (Additional Information) indicates whether or not you have documentation to prove your accomplishments and achievements. Even if you do not have such documentation, please submit Personal Statement 3 (Additional Information) with the "None in particular" box checked. On the other hand, if you have such a document or documents, type the title of the document(s) in English or Japanese and a brief explanation of the document(s) **in English** on this form. Then submit the form with the relevant documents attached (photocopies are accepted). When making document copies, please use A4 paper or **paper of equivalent size (29.7cm × 21cm)**. If the documentation is in a language other than Japanese or English, then provide a translation in either Japanese or English. For this documentation only, the applicants may do the translation by themselves. Please classify all the documents under a maximum of five categories (e.g. volunteer work, speech contests, and so on).

Examples of documentation include:

- Certificates for winning prizes in contests such as speech contests, debate competitions, etc.
- Results of foreign language proficiency tests
- Documents that prove participation in volunteer work, study abroad, Science Olympics, etc.

Please refer to the example below.

Document Number	Title	Brief Explanation
1	<i>Volunteer activity</i> (1) <i>A Volunteer Guide</i> (2) <i>River Cleanup</i>	(1) This activity consists in providing English language tour guide service for foreign visitors visiting the Peace Memorial Park. I participated in this activity for about a year when I was in eighth grade. (2) With colleagues, I picked up plastic garbage around the river. I also had a chance to research the biology of the river.

5	<i>Winning Speech Contest</i> <i>Certificate of Hirodai English Speech Contest 1st prize</i>	This speech contest is a national level contest. Some 200 students apply to take part in this contest and only 10 speakers can make speeches at the final tournament. I presented my thoughts regarding my experiences of learning Hiroshima history.

Please type or write (as with a pen) the corresponding number in the upper right hand corner of each submitted hardcopy document and submit them along with a printout of this form. Do not use a stapler. Accomplishments or achievements which are claimed (listed under a document number), but which are not substantiated by attached documents proving them, will not be recognized in the application process.

Document E: Academic Transcripts and Test Results

If the applicant has the certificates or other documents specified in both (E1) and (E2) below, submit the documents of both types. If the applicant does not have the certificates or documents specified in (E2), it is sufficient to submit the documents of type (E1) only.

(E1) Academic Transcripts

Please see page 2 to 3 for the application eligibility [Requirement 2: Education Qualifications]. In case your schools/institutions cannot issue the following documents due to the retention deadline, please submit an official letter explaining the situation by them.

Application eligibility [Education Qualifications]	Application documents	Description
(1) (2) (3) (4) (5) (6)	Academic transcript	Submit the original or a certified copy* of your full transcripts. <u>The transcripts must contain all courses taken for the last three years of your secondary education issued by your school(s).</u> Furthermore, those who have attended the pre-university course need to submit the certificate of grades for this course. *If your transcripts have more than two pages, all the sheets must be certified.
(7)	Academic transcript from an international school which has been accredited by an international evaluation organization	Submit the original or a certified copy of your full transcripts. <u>The transcripts must contain all courses taken for the last three years of your secondary education issued by your international school,</u> which also includes a clear statement that the school has been accredited by an international accreditation organization (WASC, ACSI, Cognia, NEASC, CIS or COBIS) designated by the Minister of Education, Culture, Sports, Science and Technology of Japan. If the academic transcript does not clearly state that the school has been accredited by an international accreditation organization (WASC, ACSI, Cognia, NEASC, CIS or COBIS), submit a separate document to prove that the school has been accredited by any of the above organizations.
(8)	In cases when further documentation is necessary, applicants will be informed regarding the results of their previously submitted documents, and also regarding which further application documents will be required for submission.	

(Note) Applicants who are unsure of the content of document (E1) or who cannot submit the document (E1), for example those who have passed high school graduation equivalency examinations (i.e. GED in USA), should send an email inquiry to the IGS (igs-application@hiroshima-u.ac.jp) as early as possible.

(E2) Mandatory or standardized test results to complete a 12-year school education curriculum, and/or to enter the university

Applicants who have taken the following mandatory or standardized national tests must submit the original or a certified copy of the examination result certificates.

a. Mandatory or standardized test results to complete a 12-year school education curriculum, and/or to enter the university

- International Baccalaureate: final examination results certificate of six subjects
- Abitur: results certificate of the Abitur
- Certificate of the results of the Baccalauréat
- Mandatory tests to complete a 12-year school education curriculum for graduation (e.g. Australia, China, Vietnam, etc.)
- Standardized tests for university admission in the relevant country/region (e.g. China, Indonesia, Malaysia, South Korea, Taiwan, New Zealand, etc.)

b. Standardized test result certificates

- SAT*

Those who reside in Japan must submit a certified copy of residence register (Jyu-min Hyo no utsushi 住民票の写し) showing the applicant's nationality, status of residence, and permitted period of residence.

Document H: Application Documents Checklist

Access the IGS website (<https://www.hiroshima-u.ac.jp/en/igs>), and download the specified form for Application Documents Checklist from the page that provides information on the entrance examination. Submit the completed specified form for Application Documents Checklist.

(IMPORTANT)

1. Application documents should be typed or handwritten by the applicant. The applicant must place his/her handwritten signature on these documents. When application documents are handwritten, use a black ballpoint pen.
To make a correction, draw a horizontal double line on the erroneous portion, and write the correct information in the margin of the page. Do not use correction fluid/tape to erase errors.
2. Late or incomplete applications will not be considered.
3. Once application documents are accepted, the information contained therein cannot be modified.
4. Application documents that have been accepted may not be returned for any reason.
5. A false entry or false statement in the submitted documents or application forms may impede the subsequent enrollment procedure. Furthermore, depending on the situation, successful examination results or program admission may be voided.
6. For other matters regarding application, please contact the IGS.
7. The personal information of applicants that Hiroshima University obtained through the process of their applications (name, date of birth, gender, etc.) will only be used for the selection of applicants, announcement of selection results, and admission procedures.

Only if successful applicants approve, the personal information of them will be used to send reference materials about the Hiroshima University Sports Association, the Hiroshima University Festival Executive Committee and Hiroshima University Co-op, and to select applicants to reside in the Ikenoue Student Dormitory. However, for the selection of applicants for the Ikenoue Student Dormitory, only the personal information obtained through the application documents will be used.

Personal information of successful applicants will be used for student support services (academic advising, scholarship applications, application for tuition fee exemption, issuance of student ID cards, etc.) and surveys and studies (improvement of the admission examinations, research and analysis of motivation for application, etc.). Regarding the use of personal information in the aforementioned matters, such information may be handled by an outside company to which Hiroshima University has entrusted to conduct part of its work (hereinafter referred to as "outsourced company"). In such case, the university provides the outsourced company with only that part of the personal information it has obtained that is necessary for the outsourced company to conduct its work.

8. Examinee's Number and printing the Examination Card

After Hiroshima University has received the application documents and confirmed that the application eligibility has been fulfilled, the university will enable applicants check their examinee's number on the UCARO website after 12:00 on January 19, 2026 (scheduled).

Applicants who have passed the first selection will be able to print the Examination Card and Instructions to Examinees at the UCARO website after 12:00 on January 23, 2026 (scheduled), so please print them out from the UCARO website and bring them on the day of the final selection. If you cannot print the Examination Card and Instructions to Examinees, please contact the IGS.

9. Applicant Selection Process

Applicants are selected through the first and final selections.

(1) First selection

- a. Screening method: The screening is done based on application documents (Personal Statement (Document A), Document to Prove Your English Language Proficiency (Document D), Academic Transcripts and Test Results (Document E)).
- b. Pass/fail decision: The decision will be made based on a comprehensive evaluation of the application documents (Personal Statement (Document A), Document to Prove Your English Language Proficiency (Document D) and Academic Transcripts and Test Results (Document E)) by classifying them into four grades from A to D.

(2) Final selection

- a. Screening method: The applicants who have passed the first selection will be interviewed in person. The interview will be conducted completely in English. The applicants should be able to understand social, global, and scientific issues in English and to express their own ideas logically and persuasively. They are also expected to show their creativity and adaptability in order to work in society.

-Date of the interview examination: From 13:00, February 25, 2026

Information on where to assemble and the time will be provided along with the Examination Card and the final selection guidance through the UCARO website.

-Examination site: School of Integrated Arts and Sciences at the Higashi-Hiroshima Campus (Address: 1-7-1 Kagamiyama, Higashi-Hiroshima, 739-8521 Japan)

For more detailed information, please see the website at <https://www.hiroshima-u.ac.jp/en/access>.

- b. Pass/fail decision: The decision will be made based on a comprehensive evaluation of the interview results based on a scale of 300, combined with the evaluation of the application documents (Personal Statement (Document A), Document to Prove Your English Language Proficiency (Document D), and Academic Transcripts and Test Results (Document E)).

(IMPORTANT)

1. Applicants should check the examination site at least a day before the interview. Be aware of precautions regarding the examination. Applicants are not permitted to enter the examination site buildings on the day before the examination.
2. **On the examination day, enter the room where the examination is being held at least 30 minutes before the examination.** After the beginning of the examination, applicants cannot enter the room if more than 30 minutes late. If you are more than 30 minutes late, contact the examination headquarter.
3. Bring your Hiroshima University Examination Card, writing materials (a black pencil, mechanical pencil, and eraser) and a watch (equipped with only the clock function).
4. Before entering the room, be sure to turn off the alarm setting and the power supply of your cellular phone, smart phone, tablet-type device, wearable device (smartwatches, smart glasses, and other devices), electronic dictionary, digital voice recorder, earphones, digital audio players, or other electronic devices, and then place them in your bag. During the examination, if you put on or hold such devices or reference materials in your hand and not keep them in your bag, it may be regarded as cheating. *If you are wearing earphones, it will be considered cheating. (If you need to use a hearing aid, etc., please refer to “12. (2) Pre-arrangements for special needs applicants” and apply for the use permit beforehand.) The response to cheating in the examination will be made in accordance with that of the National Center Test for University Admission. Be sure to check the rules to be followed by applicants, which are set for each examination site. In case of any cheating, the examination will be failed. In addition, in the case of cheating, we may report the police.
5. In the examination site and room, applicants must not commit any acts that cause other applicants trouble and that impair fairness in the examination. Also, be sure to follow the instructions of the proctors.
6. Accommodations during their stay for the examination should be arranged by applicants themselves.
7. Hiroshima University may take such measures as postponement of the day or the start time of the examination, when it is difficult to implement the entrance examination due to worsening weather conditions caused by a typhoon etc., the outbreak of an epidemic infectious disease, or for other reasons. In such a case, be sure to access the Hiroshima University website (<https://www.hiroshima-u.ac.jp>), which will provide information on the above measures.
8. For other inquiries regarding taking the examination, please contact the IGS.

10. Announcement of the Selection Results

(1) Announcement of the first selection results 12:00, January 23, 2026 (JST) (scheduled)

The first selection results will be announced on the UCARO website (No announcement will be made on our official website).

[For successful applicants]

The final selection guidance will be announced through the UCARO, on the day on which the first selection results are announced.

[For unsuccessful applicants]

Information on how to obtain a refund for part of the application fee will be available on the UCARO.

(2) Announcement of the final selection results 12:00, March 8, 2026 (JST) (scheduled)

The results will be notified on the UCARO website (No announcement will be made on our official website). As the successful applicants will receive the results notification* (PDF file) via the UCARO website, please be sure to download and keep it. Inquiries by phone or other means about the selection results will not be accepted.

* If the results notification cannot be found on the UCARO website by 12:00 on the following day of the announcement, please contact the IGS.

* A paper copy of the notification will not be issued, so please print the downloaded file out as needed.

* The results notification can be seen and downloaded on the UCARO website until April 30, 2026. Please note that it cannot be seen and downloaded any longer after May 1, 2026, nor will it be reissued.

11. Enrollment Procedures

(1) Period

Complete the enrollment procedures within the following periods. Details will be sent to the successful applicants. Please note that you will continue to use the UCARO ID (email address) and password that you registered at the time of application to complete part of the enrollment procedures and to pay the enrollment fee.

From March 8 at 12:00 to March 15, 2026, NO LATER THAN 17:00 (JST)

(2) Procedures

Detailed instruction will be available at the “Enrollment Procedure Guide”. Successful applicants can download the “Enrollment Procedure Guide” from the UCARO website. Below is the brief instruction of the procedures.

- ① Log in to the UCARO and enter required information.
- ② Pay enrollment fee within the enrollment procedure period.
- ③ Send the required documents by post. The documents must reach the IGS by the final day of enrollment procedure.

(3) Enrollment and tuition fees

a. Enrollment fee JPY 282,000*

b. Tuition fee (full-year) JPY 535,800*

- The enrollment fee, once paid, will not be returned under any circumstances.

- **In the case of tuition revision during enrollment, students will be required to pay the revised tuition fee.**

* The above amounts are valid as of July 2025.

The actual fees to be paid and specific payment methods will be notified separately.

(IMPORTANT)

1. In case you do not complete the enrollment procedure within the period stated above, you will be regarded as you withdraw from the admission.
2. If successful applicants fail to fulfill the requirements in the “4. Application Eligibility” section, their admission will be cancelled even after completion of the procedures.
3. Successful applicants who have no intention to enroll at Hiroshima University and thus decline admission, are required to submit by no later than 17:00, March 15, 2026, a handwritten notice of withdrawal from enrollment to the IGS by post. Format is optional, but applicants should write their name, address, examinee’s number, the School/Department for which they took the entrance examination, and their reason(s) for withdrawal from enrollment. If you are unable to submit a handwritten notice of withdrawal by the final day of enrollment procedures, please submit to the IGS a copy of the handwritten notice of

withdrawal by email attachment, and then promptly send the hardcopy notice itself by post, via simplified registered express mail (Kan'i Kakitome Sokutatsu).

*Please write on the surface of the envelope as follows:

“This envelope contains a notice of withdrawal from enrollment”

- Scholarship recipients who failed to meet the academic requirements set by Hiroshima University (HU) during their period of study will lose their eligibility for the scholarship.
- Students who graduate and proceed to one of HU's graduate schools or an advanced course can continue to receive scholarship if they meet the requirements set by HU. In addition, the full enrollment fee for graduate schools or an advanced course will also be exempted.

Eligibility

A few 2nd year undergraduate students at the time of application (enrolled in AY 2024), who meet the three selection criteria listed below will be selected.

(However, those who were enrolled in the Entrance Examination by Recommendation for the Department of Medicine, School of Medicine ("Furusato quota") will be excluded.)

Application

For details, please refer to the website listed at the bottom. (To be updated around mid-December)

The application period will be January. Applicants need to submit documents verifying their annual income such as withholding slip and tax return. Please obtain and prepare necessary documents in advance.

Selection Criteria

Scholarship recipients are selected from the applicants who meet the following 3 requirements.

【Academic requirements】

Students who earned the standard number of credits of the school they enrolled in, and maintained a GPA of 80 or above (from their 1st year until the end of the first half of the 2nd year)

【Character evaluation】

Students who have never been subjected to disciplinary punishment by "Hiroshima University Student Disciplinary Regulations" before.

【Economic situation】

Applicants' degree of economic hardship is measured based on the total annual income of the previous year (January through December, 2025).

The amount remaining after subtracting the amount of special tax deduction (specified according to family structures and circumstances) from the total household's income, must be equal to or less than the amount set by HU.

Information on the Necessity of a Laptop Computer

At Hiroshima University, students are required to have a laptop because they will use it in many situations, including attending lectures such as “Introduction to University Education”, reports writing, theses writing, online lectures, etc.

Students have to log in to the student information website MOMIJI (<https://momiji.hiroshima-u.ac.jp/momiji-top/en/index.shtml>) to complete various procedures such as class registration, grades check and confirmation of communication from teachers and administrative offices, etc. Other than that, laptop is necessary in your whole campus life. Therefore, you must prepare a laptop before enrolling.

Requirements for AY 2025 are available at:

https://www.hiroshima-u.ac.jp/en/about/initiatives/jyoho_ka/hikkei_pc

Requirements for AY 2026 will be available from December 2025 at the same URL.

[Important] For those who have difficulty preparing a laptop due to financial reasons

Laptop rental service is available for students who have difficulty preparing laptops due to financial reasons. Students who wish to use the service can borrow a laptop for free for a year. Please read “Guidance Regarding Laptop Rental Service” in “Student's Guide” to check the conditions and other details of the service, and then take the necessary procedures.
