6 Application Procedure

1. Submission Procedure

All applicants must obtain consent from their prospective supervisor in advance to apply for the Graduate School of Humanities and Social Sciences. After that, applicants are required to apply using “online application system”, and send the necessary documents.

(Partially online application hereinafter referred to as “online application”)

Online Application

- 1) Enter your personal information.
- 2) Pay the application fee, 30,000 yen.
- 3) All application documents must be either sent by mail or delivered in person.

Note: Online application, entering necessary information on the website and paying the application fee, is the initial registration process, and doesn't mean the completion of the application procedure. The application procedure wouldn't be completed without either sending or delivering in person all the necessary application documents by the due date. Be sure to send or bring in person all the necessary application documents to the support office (the aforementioned address). Application documents must arrive within the specified period at the support office. Fully paper-based application without registering online application cannot be accepted in this graduate school.

(1) Application time period:

Applicants must complete all of the above procedures (from 1 to 3 in (1)) within the application period.
January 6, 2026 (Tue) to January 14, 2026 (Wed) (No later than 17:00 (JST))

(2) Online Application

◆ Inquiry regarding the system

For inquiries concerning online application system and UCARO website	TEL +81-3-6634-6494 (Japanese Speaking Only) Inquires accepted from 10:00 am to 6:00 pm (Except from December 30 to January 3)
--	--

○ About unclear points regarding the entrance examination, ask Support office for the fields of Integrated Arts and Sciences (Contact for inquiry Graduate School of Humanities and Social Sciences).

Opened: 8:30 - 17:00 (closed in Saturday, Sunday, and national holidays)

Complete the following 8 steps during the application period.

Step 1: Access the online application system

Access the online application system from the Hiroshima University Admissions Information web page:
<https://www.hiroshima-u.ac.jp/en/nyugaku>

Step 2: Select 'Membership Registration' on the UCARO log in screen.

Account registration for UCARO is required for all applicants (free of charge) and it enables applicants to use the above online application system and complete the enrollment procedures.

Step 3: Enter the Account Number (Only for those who are exempt from the Application fee). Further, enter the alphanumeric code (consisting of 8 or more characters) which you received from the Graduate School concerned.

Step 4: Enter your application data into the online application system

Follow the instructions on the screen and enter your name, address, telephone number, email address etc.

* Your personal information registered through the online application system will be used for the following purposes. Therefore, please enter accurate information.

1. Carry out entrance examinations and screening.
2. Notify and send the screening results.
3. Send documents for enrollment procedures to successful applicants.
4. Send information before and after admission.
5. Create statistical data on entrance examinations.
6. Create student registration data and Student ID-Cards.
7. Receive application fees.
8. Check the access status to the Service.

Step 5: Confirm the necessary documents and upload your photo

Confirm the necessary documents when they are shown and upload a digital photo of yourself.

* The uploaded photo, which will be used for identification at the examination, will be also used for your student ID card after enrollment and will be maintained in the university's educational system until graduation.

Therefore, please upload an appropriate photo for use after enrollment as well.

Once uploaded, your photo may not be replaced.

A fee of JPY 1,000 will be charged for changing the content of your student ID card (photo and your name) after enrollment.

Step 6: Payment of application fee (JPY 30,000)

Select the payment method for the application fee from among the following options.

For applications from outside Japan, only credit card payments can be accepted.

- Credit Card (Available both within and outside Japan)
- Convenience Store, Banking institution ATM 【Pay-easy】, and Internet banking (NOT available from outside Japan)

(Note)

- **In addition to the application fee, applicants must cover the remittance fees.**
- Applicants need to pay the Processing Fee (The amount of Processing Fee will be indicated at the time of online application).

Important notices regarding the application fee

The application fee, once paid, will not be refunded for any reason.

However, in cases (1) and (2) below, the application fee is refundable after the bank transfer fee has been deducted. Therefore, in such cases, please clearly write the “reason for demand of refund”, “name”, “postal code”, “address”, “transfer destination information” and “contact telephone number” in the prescribed format given from the university and send it to the address mentioned Step 8 by postal mail by Friday, February 27, 2026.

(1) If the application documents have not been submitted, or if they have not been accepted

(2) If duplicate payments of the entrance application fee have been made in error

Step 7: Initial registration process complete (Your application is NOT completed yet.)

You will be issued with a Registration Number (not your Examinee’s Number). Please make a note of it or print out a copy of the computer screen showing the number. You can also check the number in the registration completion mail. The Registration Number is needed for confirming the application details later, and for sending the application documents by post.

Step 8: Submission of application documents through registered mail or in person

Prepare an envelope that accommodates A-4 size documents for sending application documents. Write the Registration Number, the postal code, address, and the name of the applicant on the envelope. If you submit the application documents in person, application documents are accepted from 8:30 to 17:00 on a weekday. Please note that the office is closed on Saturday, Sunday, and national holiday. If you are applying from outside Japan, please send the envelope containing all the necessary documents via a registered airmail such as Express Mail Service (EMS) to the following address.

(3) Submit Applications to:

11 Special Provisions for Educational Methods

For those who wish after admission to study while remaining employed as working citizens, a system based on the special provisions of Article 14 of the Standards for Establishment of Graduate Schools will be established so that they can perform their duties as working citizens and study at the Graduate School at the same time.

The special method of taking courses at this graduate school allows students to take some classes at night, on Saturdays, during summer/winter holidays, etc., and by using information networks, etc. Your course plan will be created under the guidance of your academic advisor.

12 Long Term Course Enrollment System

There is a system that allows students who fall under any of the following categories to systematically complete a curriculum over a certain period of time beyond the standard study period.

- (1) Persons who are employed (including those who work part-time) and who find it extremely difficult to secure study time.
- (2) Those who are responsible for housework, childcare, and nursing care at home, and who find it extremely difficult to find time to study.
- (3) Students who enrolled through our university's Special Selection for Senior Citizens Admissions Program.

Under this system, tuition fees are paid in installments over the fixed period of time that is permitted in order for students to complete the course in a timely manner.

13 Personal information acquired through this application

The information you provide in the application form and other forms (name, date of birth, gender and other personal information) is used for the purpose of admission selection, exam result notification, and admission procedures. After admission, the information is used by Hiroshima University for the purpose of student affairs (scholarship applications, tuition exemption applications, etc.). This information will not be used for other purposes or provided to entities outside Hiroshima University.
