

LIVE WORKSHOP: SCIENTIFIC WRITING AND PUBLISHING

2026年3月24日 (火)、25日 (水)

TUESDAY MARCH 24 & WEDNESDAY MARCH 25, 2026

広島エアポートホテル
HIROSHIMA AIRPORT HOTEL

Join us for an interactive in-person workshop led by **Nature Portfolio journal editors!**

The workshop covers:

- **Building confidence** in writing papers
- Working **successfully** with editors
- The basic principles of **ethical research** and publication
- **Personalised advice** on your **abstract** from a Nature Portfolio editor

Don't miss out!

DR. ALI STODDART

CHIEF EDITOR, NATURE MATERIALS

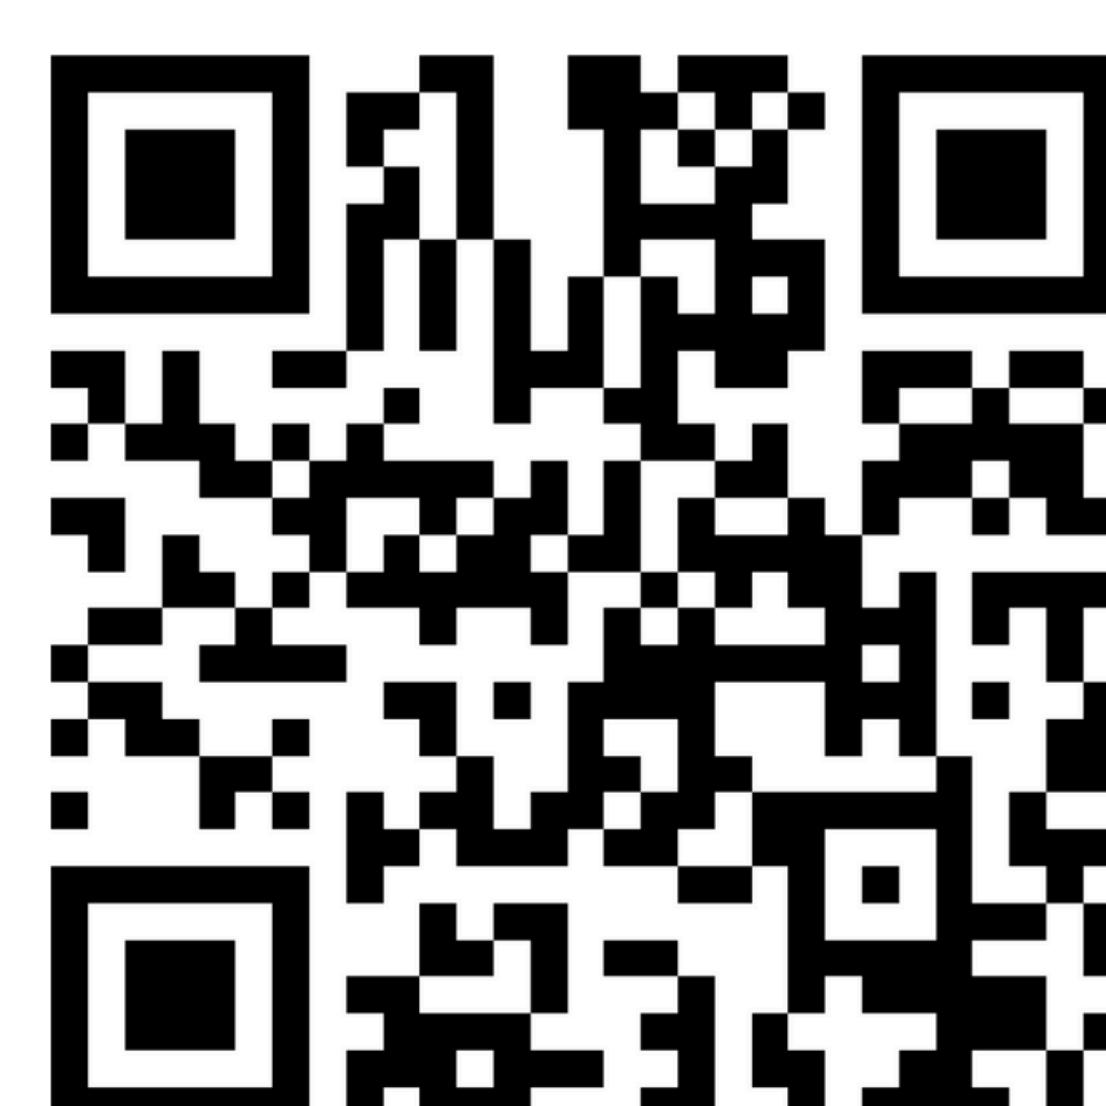

Dr. Stoddart handles manuscripts in the areas of porous materials, membranes and materials chemistry. She is based in the London office of Springer Nature.

DR. JEROME STAAL

SENIOR EDITOR, NATURE MEDICINE

Dr. Staal currently oversees submissions in neurology and regenerative medicine, including stem-cell-based technologies. He is based at Nature Medicine in New York.
