

May, 2026

Dear Doctoral Students of the Graduate School of Integrated Sciences for Life,

Takashi Funatsu, Dean,  
Graduate School of Integrated Sciences for Life

**Scholarship for Doctoral Students in the Spring Semester of the Academic Year 2026**  
**(2026 年度前期 大学院博士課程後期学生奨学金の募集について)**

We offer a financial support system which provides superior doctoral students with scholarships for the purpose of reducing their economic burden to continue their study at doctoral course and devote themselves to their research.

**1. Eligibility**

Applicants must be the doctoral students of the Graduate School of Integrated Sciences for Life in the academic year 2025 and satisfy requirements defined in “2. Application Qualification”.

Applicants must not receive any scholarship of 100,000 yen or more per month (not counting scholarships with obligation of restitution) from government, local government or any other organizations and associations, etc.

**2. Application Qualification**

Applicants must be those who have excellent academic ability and personality, require economic supports in continuing to study ~~and have applied for tuition exemption in the fall semester 2026~~, but except the following students:

- 1) MEXT scholarship students and foreign government sponsored students
- 2) Those who have been adopted as JSPS Research Fellowship for Young Scientists (DC1 or DC2)
- 3) Those who have been enrolled beyond the standard term of study
- 4) Those who have been adopted as Next-Generation Fellow
- ※ Those who are granted full or half tuition exemption will be excluded from the eligible students.

**3. Scholarship Amount and Date of Payment**

Scholarship Amount: 133,950 yen (Half amount of one semester's tuition fee)

Date of Payment: Expected to be paid by the end of the semester.

**4. Application Period and Where to Apply**

Application documents must be submitted from May 25 (Mon.), 2026 to May 29 (Fri.), 2026 (9:00 to 12:00 and 13:30 to 16:30) at each program support office.

**5. Application Documents**

Applicants must submit the following application documents to each program support office:

- 1) Application Form (Form 1)
- 2) Application Details (Form 2)
- 3) Pledge (Form 3)
- ~~4) Income certificates of the applicant and main family financial supporter~~
- ~~5) Documents certifying the applicant's superior research achievements (no prescribed form)~~

Application forms can be downloaded from the website of the Graduate School of Integrated Sciences for Life- “Student Financial Support”.

**6. Announcement of Application Results**

After the review of submitted documents, we will announce the result of application around early August.
