Question Sheet Specialized Subject 【General Selection】

(Page 1 of 1)

[QUESTION 1] Please explain Iran's unique understandings of agency, self-determination, and progressivism. What are differences and similarities between these understandings and Western understandings?

[QUESTION 2] What does patriarchy mean in Iran? Is it changing significantly recently? Do Iranian people identify problems in patriarchal patterns in Iran? How do Iranians wish to address such problems? Do Iranian people consider some aspects of Iranian patriarchy desirable?

[QUESTION 3] Are there aspects of Iranian society that Westerners can appreciate even from the perspective of Western values? Are there ways that the West can learn from Iranian policies or behaviors to promote social cohesion, and personal enrichment and liberties?

出題の意図

[QUESTION 1] This question aims to test the applicant's understanding of Iranian agency, self-determination, and progressivism.

[QUESTION 2] This question aims to test the applicant's understanding of conceptions of gender in Iran.

[QUESTION 3] This question aims to test the applicant's understanding of Iranian society in comparison and contrast with the West.
