*Notes on Written Examination

(1) Writing materials (pencil, mechanical pencil, pen, and eraser) and watch with timing function can be used during Written Examination. Any electronic devices such as cell phone and alarm watch must be turned off and put away (in the bag) before entering the examination room. If examinees have any other belongings on the desk or electronic devices are not put away, it can be regarded as cheating.

(2) Any form of misconduct, including cheating (e.g., placing or viewing notes or copies related to the examination subject, viewing textbooks, reference books, dictionaries, or other materials, looking at another examinee's answers, or receiving answers from another person) or using prohibited items during the examination, will result in removal from the examination room and disqualification from any subsequent examinations. In addition, the results of all examination subjects taken at Hiroshima University during the relevant examination period will be invalidated.

(3) Examinees must be seated in the examination room 15 minutes prior to the start of the examination and follow the instruction of the proctor.

*Regarding Oral examination, Graduates of Master's Course will be interviewed about his/her Master's thesis, results of previous studies and his/her proposed plan of study in the Doctoral Course. Others will be interviewed about the results of his/her previous studies and proposed plan of study in the Doctoral Course.

*Detailed schedule of Oral Examination will be sent by E-mail.

* Depending on the circumstances, cases of misconduct may be reported to the police. Furthermore, if misconduct is discovered after admission or enrollment, admission and/or enrollment will be revoked. In such cases, the entrance application fee, enrollment fee, tuition fees, and any other fees already paid will not be refunded.

### 4. Announcement of Admission:

| |
|---|
| At noon, on February 26, 2027(tentative schedule) |

The acceptance certificate and the admission guide will be sent to the successful applicants by mail. An announcement will also be made on the website of the Graduate School (https://www.hiroshima-u.ac.jp/en/gshs).

Please note, however, that the announcement on the website is made as part of information provision and does not grant admission officially in any way. Only mailing of the acceptance certificate should be regarded as an official announcement of admission. Please also note that we will not announce the results through posting on the bulletin board on campus.

（Telephone/E-mail inquiries will not be answered）

## VI. Enrollment Procedure

### 1. Period

The period will be in the beginning of March. Detailed will be provided by the end of February.

**2. Fees**

Enrollment Fee: ￥282,000
Tuition Fee: ￥535,800 (for one year)

(1) The above amount is as of April 2026. In case of the revision of the amount at the time of enrollment or during the period of enrollment, the most recent tuition fees will always apply.
(2) Enrollment fee must be paid at the time of enrollment and tuition fee must be paid after the enrollment. Exact amount, detailed payment methods, and information on enrollment/tuition fee exemption or deferment application will be announced later.
(3) Enrollment fee, once paid, will not be reimbursed under any circumstances.

**3. Notes**

(1) Any forgery or falsification of the documents and/ or academic fraud would result in cancellation of
acceptance even after passing examination and/ or completing enrollment procedure.
(2) For applicants accepted on the condition of graduation from currently enrolled university, admission will be cancelled if he/she cannot graduate by the time of enrollment.

**4. Notes and Consent Concerning the Child Sexual Violence Prevention Act**

Pursuant to the "Act on Measures for the Prevention of Sexual Violence, etc. against Children by School Founders, etc. and Private Education and Childcare Business Operators (学校設置者等及び民間教育保育等事業者による児童対象性暴力等の防止等のための措置に関する法律)" (hereinafter referred to as the "Act", also commonly referred to as the "Child Sexual Violence Prevention Act") , students who participate in teaching practicums, caregiving experience programs, internships, volunteer activities, or other activities required for the acquisition of a teaching license may be subject to confirmation of any prior convictions for sexual offenses. Having regard to the purpose of the Act, the University requires, as part of the admission procedures, that applicants provide their prior consent with respect to the relevant matters. For further details concerning the foregoing notes and consent matters, please refer to the following website.

## VII. An explanation of the "special exception" educational path presented in Article 14 of the Graduate School Establishment Criteria

The purpose of Article 14 of the Graduate School Establishment Criteria is to supply more convenient study plans for incoming Working Student. Measures for the special exception prescribed by Article 14 are as follows:

Courses will be held on weekday evenings, as well as in the middle of long vacation periods, such as the summer recess, on a short-term basis (intensive courses).

## VIII. Extended Study Program

Students who have a job or meet the criteria of the program or adult recurrent students who enter the University under the "Phoenix System" can benefit from this program. It enables them to complete their curriculum in a period exceeding the standard duration of studies, in accordance with the prearranged schedule.

Tuition fees for students in this program must be paid in installments by dividing the total tuition fee amount for the standard period of their curriculum by the approved number of years of study. The maximum period is 4 years for Master's Course and 6 years for Doctoral Course.

Students wishing to enter this program are required to contact Graduate School of Education, Humanities and Social Sciences (Support Office for the fields of International Development and Cooperation) without fail before their tuition fee payment.

# Global Environmental Leaders Special Education Program

**BACKGROUND**

In recent years, broader knowledge and analytical skills to cope with global environmental issues such as climate change, biodiversity losses, desertification, pollution in developing countries, and so on that threaten the existence of humans have become necessary fundamental expertise for any areas related to global sustainability and international cooperation. In order to offer an additional educational opportunity for having such expertise, The Graduate School of Education, Humanities and Social Sciences(International Peace and Co-existence Program, Policy Science Program, International Education Development Program) ,the Graduate School of Advanced Science and Engineering(Transdisciplinary Science and Engineering Program) and the Graduate School of Innovation and Practice for Smart Society of Hiroshima University (hereinafter "HU") have been implementing the Global Environmental Leaders Special Education Program (GELs Program).

**OBJECTIVES**

The GELs Program is to nurture global environmental leaders who are capable of identifying problems and formulating strategic solutions at the national and local level through interdisciplinary and international perspectives.

**ADVANTAGES**

- ✓ GELs students can obtain necessary knowledge and skills to create a sustainable society based on students' individual specializations as well as interdisciplinary knowledge from experts in various fields.
- ✓ GELs students can acquire communication skills by studying with peers with diverse backgrounds and areas of experience.
- ✓ Certificate of completion is conferred upon satisfying the requirements of the program.

**HOW TO REGISTER THE PROGRAM**

Students enrolled in the above degree program, regardless of nationality, are welcome to register.
Students who wish to participate in GELs program are required to submit the registration form by the designated deadline in April and October.
