Former JICA Expert (Advisor to Directorate  
General for Basic Education), Indonesia

**Ms. Tomoko Masuda**

- Lesson Study Activities in Indonesia  
IDEC Master Students

**Mr. Abdul Garfur**

**Mr. Subadi**

Facilitator: IDEC Professor

**Takuya Baba**

Lesson study approach is appreciated in different countries for improving teachers' competency. Indonesia is on the frontline of introducing such an approach. In this seminar, Japanese Expert, who worked as an advisor to Directorate General for Basic Education Ministry of National Education Republic of Indonesia, and Indonesian representatives from the Ministry will discuss on the accumulated experience and challenge of this approach.

**Date : July 14<sup>th</sup> (Thr) 17:30—19:00**

**Venue : IDEC 2F 203**

**Inquiry : Hiroshi ISHII (h141164@yahoo.co.jp)**
