

Hiroshima University International Alumni Association

Not just those who have completed graduate programs; master or doctoral courses at Hiroshima University, we also extend an application for an international alumni member to the following personnel:

- Those who have completed a bachelor degree at Hiroshima University
- Those who have visited Faculty of Dentistry Hiroshima University under academic exchange programs including short visits; undergraduate / graduate students and academic staff
- Those who have ever been involved in Faculty of Dentistry Hiroshima University

We accept an application to be a member of Hiroshima University Faculty of Dentistry International Alumni Association at the venue of “World Friendship Night in Hiroshima” to be held 19:00-20:30, Friday October 23, 2015 at ANA Crown Plaza Hiroshima.

We welcome many member enrollments at ANA. A certificate for a life membership for the international alumni association will be issued by payment of 2,000 JPY for the membership fee. We strongly believe that the faculty alumni membership will build further global networks.
