Hiroshima Conference on Education Science in Dentistry:
Call for Abstracts of Scientific Research in Dentistry for Poster Presentation

We would like to announce that poster presentation on science in dentistry will also be held in the 4th Hiroshima Conference on Education and Science in Dentistry. We would be pleased if you join the Conference as poster presenters. Researchers from around the world will attend the conference and all the participants will have an excellent opportunity to discuss their current knowledge on science in dentistry. Please check the following page for Poster Guidelines.

Sincerely yours,

Takashi Takata
Chairman of the Organizing Committee
4th Hiroshima Conference on Education and Science in Dentistry
Dean
Hiroshima University Faculty of Dentistry
1-2-3, Kasumi, Minami-ku, Hiroshima, 734-8551, Japan
