

339th IDEC Seminar

Outcomes and Challenges of JICA-supported Mathematics and Science Education Projects in Africa

Regional Conference held at Nairobi, March 2016

Date November 28, 2016 (Mon) 14:00-16:00

Speaker Mr. Atsushi Matachi (Senior Advisor (Education), Japan International Cooperation Agency)

Venue IDEC Large Conference Room

Abstract Mr. Matachi will overview outcomes and challenges of JICA-supported mathematics and science education projects in Africa and how JICA has set new directions in this area as described in its position paper.
