11. Selection Procedures

- (1) The screening will be based on application documents.
- (2) Applicants screened by submitted documents will be invited for an interview. The interview will include a mock lesson in English. Please note that no travel expenses will be provided. The detail of the interview will be informed of later.
- (3) Hiroshima University promotes the gender-equality. In accordance with the spirit of the Basic Law for a Gender-Equal Society, our university will recruit a female applicant rather than a male applicant when their achievements (including research achievements, academic achievements, societal contributions, etc.) and characters are considered as equivalent.

12. Salary, etc.

- (1) The annual salary system will be applied to successful candidates.  
(Regulations Concerning Salaries of Hiroshima University Faculty Members Employed under Annual Salary System will be applied.)
- (2) Successful candidates may be reimbursed for travel expenses incurred for the trip from their home or former place of work to the new place of work to assume their post in accordance with the relevant regulations of Hiroshima University. For more information, please contact us.

13. Evaluation

We conduct performance evaluations for all faculty members after their employment. The scored result will be reflected in their treatment.

14. Additional Remarks

- (1) Personal information obtained from application documents will not be used or provided to any third parties for purposes other than the necessary procedures related to personnel affairs, salary, and welfare.
- (2) All the faculty members of Hiroshima University belong to the "Academy", which is the single university-wide faculty organization, and each faculty as a member of the Academy of the University is appointed to educational and/or research organizations such as an individual undergraduate school, graduate school and research center.
