Hiroshima University
1-2-3, Kasumi, Minami-ku, Hiroshima 734-8553, JAPAN

* Please write "Application (Neurophysiology)" in red on the envelope.

* Submitted application documents will not be returned.

* Please submit CD-R with "Form 1-2" saved in Excel format.

11. Selection Procedure

- (1) The screening will be based on application documents
- (2) Interviews will be conducted as needed. As a general rule, we will conduct simulated lessons in English. In such a case, please note that no travel expenses will be provided. If we hold the interview, we will inform them of the details.
- (3) Hiroshima University promotes the gender-equality. In accordance with the spirit of the Basic Law for a Gender-Equal Society, our university will recruit a female applicant rather than a male applicant when their achievements (including research achievements, academic achievements, societal contributions, etc.) and characters are considered as equivalent.

12. Salary, etc.

- (1) The annual salary system will be applied the successful applicant.

(Regulations Concerning Salaries of Hiroshima University Faculty Members Employed

under Annual Salary System will be applied.)

- (2) Successful candidates may be reimbursed for travel expenses incurred for the trip from their home or former place of work to the new place of work to assume their post in accordance with the relevant regulations of Hiroshima University. For more information, please contact us.

13. Evaluation

We conduct performance evaluations for all faculty members after their employment. The scored result will be reflected in their treatment.

14. Additional Remarks

- (1) Personal information obtained from application documents will not be used or provided to any third parties for purposes other than the necessary procedures related to personnel affairs, salary, and welfare.
- (2) All the faculty members of Hiroshima University belong to the "Academy", which is the single university-wide faculty organization, and each faculty as a member of the Academy of the University is appointed to educational and/or research organizations such as an individual undergraduate school, graduate school, research center.
- (3) During the first fiscal year, about 2,000,000 yen will be provided to each Assistant Professor as a start-up fund.
- (4) With the aim of achieving medium to long-term growth to join the top 100 world university rankings list, Hiroshima University plans to recruit and develop excellent researchers. Furthermore, in order to make the age structure of the faculty more balanced, the University plans to implement a campus-wide initiative to provide a diverse group of faculty members—especially young, female, and non-Japanese faculty members—with more opportunities to play a leading role on campus, thereby invigorating research and education activities at the University.
With this in mind, the University seeks applications from young researchers this time around.
