

Example of Study Plan in the HUSA Program

- HUSA students are required to have minimum of 10 hours of class contact hours per week. You can combine 'semester course' and 'term course' as long as you meet the requirement.
- HUSA Students are required to work on the Group Project: Practical Research of 'Development of Self Support System for HUSA Program Students: Cooperation with Local Society' (for the details, please see p.14)
- Students can combine various kinds of courses depending on their language ability (Japanese and English), the requirements at home institution, and their interests.

Category A: Students whose Japanese level is Elementary to Intermediate (Studying for 2 semesters in the HUSA: Example of 2 semesters) 1年滞在で2学期の例
[Example: A student who is interested in Japanese Language, Culture, and Business]
